

Two-Year Agreement Offered To Teachers

Propose \$125,000 Pay Rise; Portable Rooms, Addition Under Study

A \$125,000 two-year or \$6944 monthly pay increase, in addition to scheduled increments totaling \$120,000, was offered to Granite City teachers yesterday afternoon following a school board meeting Tuesday night. The proposal is being studied by the teachers. The board is to meet again at 8 p.m.

With regular raises to vary from \$16 to \$38 monthly and a \$100,000 increase in the salary schedule—the board is seeking the teachers' view on how the \$125,000 should be applied.

The general principle of working agreements was accepted by the board. Details will be worked out in talks between the teachers' committee, Supt. Harold M. Kaiser and School Board member Maurice Dailey for submission to the board.

The board is authorized after the board reviewed building needs and received preliminary estimates of \$82,000 for a four-classroom addition to Mitchell grade school and \$100,000 for a classroom for portable rooms. Several board members and Dr. Kaiser said they prefer regular construction, but it was decided to inspect portable rooms in use in St. Louis.

Truman To Speak At Demo Banquet In Venice July 28

A Democratic fund-raising dinner with former President Harry S. Truman as special guest is being planned for July 28 at the Venice-Madison American Legion Home. Walter "Buck" Simmons of Venice, Madison county Democratic committee chairman, is co-chairman of the program which is being sponsored by the St. Clair county Democratic organization.

President Truman has accepted an invitation to speak at the Madison county fair at Highland, Truman will join local, county and state party officials at the dinner and will be the guest of honor at the banquet. Gov. Kerner and U. S. Sen. Paul Douglas are expected to be in the group.

Mayors Maers of Madison and Lee of Venice are co-chairmen for the fund banquet. Gold tickets will sell for \$50 and there will be red tickets costing \$25 and white tickets for \$10.

GC Council Backs Issue For Treatment Plant And Drainage

Citizens Back Council, Ask Public To NOT Sign Petitions

Local community leaders this week endorsed the city council's adoption of the pollution-drainage program and urged that it be supported by Granite City.

NOT sign petitions seeking an election on the issue.

Fifteen individuals contacted by the Press-Record—representing industry, civic organizations, retail stores, veterans groups, planning officials, financial institutions, realtors and other segments of this community—voiced the need for city action and pointed out the urgency. All agreed that the petitions would, at the very least, result in a long delay of project and that it is vital to the economy that the city act now.

Economy was stressed in many of the comments. In addition to the saving from eliminating an election, economy factors include a \$1,700,000 saving in the cost of a sewage treatment plant, local control of drainage line charges, utilization of currently ideal construction methods for large federal urban renewal grants, increased payrolls through acceleration of construction, improved property values, and more job opportunities and greater sharing of the tax burden through attraction of new industry to a community that is willing to grow rather than stop growing.

The views given, summed up by the request that "anti" petitions NOT be signed, follow:

Mayor Leonard R. Davis: "This is the most inexpensive of any of the programs, and saving the cost of an election fits in with the effort to proceed in the best and least costly way."

"This program is the answer because it will end the drainage problems and river pollution. The people of the community undoubtedly would support the amount of money. They can show their support by declining to sign petitions that would delay the program."

"We shouldn't forget that this will give us a chance to qualify for federal aid. The amount of federal aid for urban renewal. This will be a bargain to the city and the city will be 100% for projects that are approved; no property taxes will be necessary for the program."

Paul H. Liebenberg, president of the Tri-Cities Chamber of Commerce and executive vice-president of the First Granite City National Bank: "I'd like to commend the mayor and city council for passing this, and I urge the public to get solidly behind it."

"In view of the overwhelming need, it should be done immediately without recourse to a referendum, which would cause additional expense and delay. Lack of adequate drainage cer-

Rate Ordinance Placed On First Reading; Both By Votes Of 10-2

Paving the way to end drainage problems and to comply with a state order to abate river pollution, Granite City council members voted approval Monday night of a \$10,000,000 revenue bond ordinance that had been introduced two weeks earlier.

Placed on first reading was the \$10,000,000 revenue bond ordinance setting a \$3.25 monthly minimum charge for average household and the sewer service charges for businesses and industries. The voting on both ordinances was identical—10-2.

Approval of the bond issue is being obtained by local civic leaders as a step forward for the community to promote future industrial and residential growth as well as providing adequate drainage and sanitary sewer capacity and the sewage treatment plant.

The bond issue is to finance a \$125,000 sewage treatment plant; a \$1,400,000 project of interceptor sewers to separate sanitary and storm water flow in the city's presently overloaded combined sewer system; \$7,300,000 for a new storm water drainage system of interceptors and ditches; \$1,535,000 to widen and fence the Nameoki drainage ditch; and \$100,000 to install sanitary sewers in the North Granite area.

Destruction Of Indian Site At Mitchell Nearly Complete

Days are numbered for the Indian temple mounds at Mitchell. Heavy earth-moving equipment is about to chow into the last of 10 mounds on the construction site adjacent to the new U.S. Interstate Route 270.

In a few days it will be gone. Then all that will remain of the site of two Indian villages will be a single temple mound on a separate tract near Mitchell school.

An attempt is being made to preserve the last mound by having the area designated a state park.

A team of three archaeologists is working against time to make as complete a record as possible of the Mitchell site.

Garbage Contract May Be Contested

174,500 Proposal Is Accepted By Council Without Call For Bids

Legal proceedings may envelope the \$174,500 no-bid contract for garbage and trash collection awarded Monday night by the Granite City council by a 12-to-4 vote.

Conferring with attorneys over the bid, the city council accepted the \$174,500 proposal last Thursday, and Teachers Local 525 that represents the 19 city sanitation department employees.

Bud Brown, operator of Midway Landfill, told the Press-Record he gave his proposal to Alderman Rufus LeMaster, chairman of the Sanitation committee, and LeMaster acknowledges the contract he thought it read \$147,800 because of a "g" hanging down over the first zero. "I didn't say anything to the mayor," LeMaster told the Press-Record.

Mayor Davis, who was out of town last week, told the Press-Record he signed the contract Tuesday with United Disposal Corp. at \$147,500, and that he was unaware of the \$147,000 offer.

Union, Bidder Denied Floor

During the debate on the award of the contract, the mayor refused to permit Arthur Crouch, a business agent for the Teamsters to speak, and also refused a request from Alderman Donald Partney for George Slattery, local insurance man, to address the council. Slattery had planned to submit a proposal \$18,000 less than United Disposal. He had teamed with two truckers, Fred Gohlke and Charles Shelton, and we planned to buy the city's seven trucks for a much larger amount. "These trucks are expensive," Slattery said his group had attempted to contact the mayor last week without success. "Maybe we didn't follow this as closely as we should, but we thought the city would call for bids and that the contract wouldn't be awarded to the mayor. We thought at least we would have been given an opportunity to talk to the council."

He pointed out the contract contains no penalty clause, other than credit to the city for days on which collection is missed; and that while Alderman LeMaster and Walter Norn said a performance bond would be required, it is not called for in the contract. "These bonds are expensive," Slattery pointed out, adding that he went to see a number of other district officers are expected to attend, Bergbrath said.

The District Four area includes 15 barracks in Madison, Green, Jersey, Montgomery, Macoupin and Bond counties.

Among the Illinois department officers expected to attend is William C. Breidenbach of Granite City, who is department quartermaster.

General Steel Service Banquet To Honor 191

The annual dinner meeting of General Steel Industries will be held this evening at the Statler-Hilton Hotel, St. Louis, with 25-year service watches to be presented to 109 new members from the local Commonwealth plant and 69 from the St. Louis plant.

W. Ashley Gray Jr., executive vice-president, will be the principal speaker; and presentations of 25-year watch awards will be made by James Macdonald, senior vice-president, and to the St. Louis plant by E. B. Meissner. Certificates for 16 thirty-year employees at the local plant will be presented by L. A. Kleber, vice-president.

Hospital To Test Disaster Plan Saturday

St. Elizabeth Hospital will test a mock disaster plan Saturday afternoon. Approximately 30 young volunteers will simulate various types of injuries and illnesses to test the plan for screening patients of like categories for assignment to their special treatment areas in the hospital.

The plan is scheduled to start by 10 a.m.

City-ITR Hearing Delayed

Special from Springfield

At the request of Granite City's new city attorney, John C. Bergbrath, the City-ITR Commission continued to Sept. 5 a hearing scheduled for today in Springfield.

The hearing was held on the removal of abandoned trolley tracks. Gitchoff was granted the time to familiarize himself with the case.

Three Stoves Stolen

Three gas heating stoves, four wood-burning stoves, two kitchen sinks and two lavatories were disconnected and taken from a building at 118 Bremen avenue, probably on Sunday night, it was discovered by police Tuesday. Total value of the items was \$450.

20 Scholarships Awarded At GCHS By Foundation

A record-setting 20 scholarship grants of \$400 each were awarded by the Granite City Scholarship Foundation during Granite City high school's senior recognition assembly Wednesday morning at the school.

Expansion of the program was made possible by increased contributions, it was pointed out by Robert L. Toburen, Foundation president, who cited the following firms and groups for receiving their gifts to become full, double or triple sponsors: Granite City Steel Co., Union State and Refining Co., Granite City Local 525 of the American Federation of Teachers, Twilight Optimist club, Granite City Optimist club, Granite City Junior Service club and American Steel Foundries.

Other sponsors singled out were the Nestle Co., Howard Kaseberg, Granite City Kiwanis club, Twilight Opti-Klub, Granite City Beta Sigma Phi, Granite City Rotary club, State Loan and Savings Association, First Granite City Savings and Loan Association, Madison County Federal Savings and Loan Association, A. O. Smith Corp., M. H. Wolfe and Co., General Steel Industries, American Association of University Women, Daybreak Optimist club and Granite City Press-Record.

Toburen also thanked the many others who contributed to the Miss Nina Ruschfeldt fund, started this year in connection with a dinner honoring the originator of the Scholarship Foundation, and those who gave to the Youth Committee fund of the foundation.

Certificates presented

The 20 scholarship winners, whose identity remained secret until the assembly, were called forward and received gold-embossed certificates describing them as winners of full scholarship awards. The presentations were made by representatives of the scholarship sponsors.

Recipients of the scholarships participating were as follows: Charles Haug, Teachers' Federation; Mrs. Genevieve Gideon, (Continued on Page 3, Col. 4)

War I Veterans District Meeting Here Sunday

First world war veterans from throughout a seven-county area will meet at the District Four convention of the Veterans of World War I in Granite City Sunday.

District Commander Joseph W. Bergbrath, Madison, will be host at the affair, to begin at noon at the Veterans of Foreign Wars Hall, 2044 Washington street.

Speaker at the event will be N. J. Wittgen, commander of the Illinois department. A number of other district officers are expected to attend, Bergbrath said.

The District Four area includes 15 barracks in Madison, Green, Jersey, Montgomery, Macoupin and Bond counties.

Among the Illinois department officers expected to attend is William C. Breidenbach of Granite City, who is department quartermaster.

Salvation Army Youth Rally

The Veterans of World War I was organized in 1949 in Ohio, with the first national convention held in 1953. The national convention was held in August 15, 1954, at Granite City. As of August 1961, there were 151 barracks in the United States.

Bergbrath said the organization was formed to coordinate activities for the mutual benefit, pleasure and amusement of veterans of world war I, giving them a means of personal contact with each other.

The organization also seeks to secure for the veterans of 1917-18 pensions, privileges and preferences as are enjoyed by the veterans of world war II veterans, he added.

The district convention will be held at the Smorgasbord restaurant Saturday night which is open to the public. Tickets will be on sale at the door.

11,000 Poppies On Sale This Weekend

Eleven-thousand poppies will go on sale this weekend in the Quad-Cities, with 70 to 75 workmen from local veterans organizations making the sales.

Proceeds from the sales, to be conducted on community streets on Friday and Saturday, will go to aid and relief of needy veterans and their dependents, as well as to veteran widows and orphans.

Tri-City Post 113 of the American Legion has 4000 poppies for sale, with 30 volunteer workers. Co-chairmen are Guy and Betty Post 113. Fred Honekamp and Mrs. Maxine Simmons are co-chairmen.

FW Post 1320 will have 2000 Buddy Poppies to sell, with 25 to 30 volunteer workers. Co-chairmen are Mrs. Irene Steele and Richard Hart.

Wall Trenches

Wall trenches that mark the former locations of Indian buildings of a thousand years ago are being unearthed and studied. Detailed maps are being prepared for the Illinois Archaeological Survey at the University of Illinois and for Southern Illinois University.

Heavy machines are stripping away the earth to a depth of 10 feet in places to provide highway fill. Destruction of the last mound on the construction site may begin today. The archaeological team estimates that certainly within two weeks the mound will be destroyed.

It will still be some time, however, before all the data has been processed on the temple mound builders. Then a little more light will be shed on one of the peoples of prehistoric America.

Series Of Zoning Hearings To Be Resumed Friday

Attendance by supporters of Madison county zoning is being urged as the County Zoning Commission prepares to resume its schedule of public hearings.

The current schedule of 1 p.m. hearings as follows: tomorrow, May 25, Marine township, American Legion building, 300 North Duncan street, Marine; Tuesday, May 29, Edwardsville township, Board of Supervisors room, county courthouse, Edwardsville; Friday, June 1, Fort Russell township, File school gymnasium, Bethalto; Tuesday, June 5, Nanticoke township, Nanticoke town hall, 4250 State Route 162; Friday, June 8, Collinsville township, Veterans of Foreign Wars hall, 1234 Vandallia street, Collinsville.

E. G. Schmitt, commission member and Chamber of Commerce planning and zoning committee chairman, is urging local residents to attend the Nanticoke township hearing and subsequent hearings in Chouteau, Granite City and Venice townships.

The hearings are intended to achieve accuracy and fairness of the proposed zoning ordinance wording and of the boundaries of zoning districts in each township. Backers of the proposal say it is urgently needed for orderly growth and the attraction of new industry to the county.

Tan Williams, 40-Year Madison Resident, Dies

Tan Williams, retired Madison railroad worker who had made his home for the past three years in Florida, died at 1 p.m. Tuesday at the Missouri-Pacific Hospital, St. Louis, at the age of 70.

A 40-year Madison resident, Mr. Williams had made his home more recently at 722 North Eighth street, Lakewood, Fla. He had been at the St. Louis hospital two weeks.

He retired five years ago from the Terminal Railroad, where he was a switchman. He had been employed by the railroad 35 years.

Mr. Williams was born in Tennessee. He was a member of the First Baptist Church at Lakewood.

Survivors include his wife, Vesta; two sons, Luther D. and Roy Eugene Williams, both of Madison; a daughter, Mrs. Harold (Pansy) Grace, Lakewood; three brothers, Elmer of Colorado Springs, Colo., Louis of Laverne, Calif., and Jack of Parsippany, N.J.; two sisters, Mrs. Harold (Lerie) Higgins, Little Rock, and Mrs. Jake (Denie) Short, Walnut, Ark., and seven grandchildren.

Funeral arrangements are given in the obituary column.

2nd Quarter Dividend Declared By GC Steel

A cash dividend of 35 cents per share of common stock outstanding, payable June 15 to stockholders of record June 1, has been declared by the board of directors of the Granite City Steel Co. for the second quarter of 1962.

The action came at a board meeting Tuesday in New York City, where the following officers of the company were re-elected: Nicholas P. Veeder, chairman of the board and president; James L. Hamilton Jr., executive vice-president and general manager of sales; William R. Bascom, vice-president of finance and law; Kyle F. Gandy, vice-president in charge of operations; Erwin Niedringhaus, vice-president in charge of tin mill sales; W. F. Hoelcher, secretary and treasurer; and W. N. Federger, assistant secretary and assistant treasurer.

The board's action on dividends marked the second consecutive quarter a 35 cents per share dividend has been declared.

Park District Splits With Merchants; Will Play Two With World Champs Saturday

Industrial No-Hitter By Bill Page

Bill "Satch" Page pitched Air Products into first place in the YMCA Industrial Men's Softball league last night at Lee Park in Venice with a 2-0 no-hit mound effort against Union Electric.

The no-hitter came in the first of two league games, the second of which turned into a slugfest between Modern Furnace and Union Starch, with Modern the eventual winner, 17-9.

Air Products scored one in the third on a single by Page which skipped through the outfield for a three-base error and a run. Two base hits got the winners insurance run home in the fourth.

Losing pitcher Oren Harrison and Joe Zagorski each pounded out two-run homers for Union Starch in the second game, but a six-run third inning by Modern Furnace was decisive. George Grimm got the frame started with a solo home run. Jack Blandolino was the winning pitcher.

Air Products has a 2-0 mark. Modern Furnace is 1-0. Every body else in the five-team league has lost at least once.

Kraft Invited To State Meet On Library Service

Richard Kraft, 69 Riviera drive, has been invited as one of a selected group to attend a workshop for library trustees at Allerton Park, University of Illinois Extension Center, today and tomorrow. Theme of the institute is "Standards for the Development Of Local Library Service in Illinois." He is a former president of the Venice library board.

Sponsored by the Illinois State Library and the U. of I. Graduate School of Library Science, the institute will include talks and discussions on community relations, library taxes and action toward achieving high standards in regard to library space, organization, financing and staffs.

Brownie Holiday Saturday

A "Brownie Holiday" for all Brownie scouts in the local district of the River Bluffs Girl Scout Council will be held from 10 a.m. to 3 p.m. Saturday at Camp Lakota near Glen Carbon.

Winner in three of its first four contests, Granite City's park district Class A softball club has its work cut out this weekend when Arvel Price's aggregation faces the world Amateur Softball Association champion Sealmasters in Aurora Saturday night.

Last night in Alton, the park nine split with the host Alton Merchants, dropping a 4-3 squeaker in the opening game when the Merchants rallied for two runs in the sixth inning, and pounding out 11 hits during a 10-3 victory in the second contest.

The local club's pitching continued to be top-rate. Evans Blank, loser in the first game, gave up only four hits. Granite City could solve winner Jack Rhodes for just five safe blows, one of which was a leadoff homer by Ron Dillard in the sixth inning which gave GC a 3-2 lead.

The locals had scored twice in the first in a game-opening double by Conrad "Babe" Champion and singles by Dillard and Jim Bain. The Merchants scored two decisive runs in the sixth on a single by Jerry Tovo, walk to Jack Terlisner and fielder's choice.

Big Third Inning
The park club bombed fielder's choice starter Sam Vivayards for

five straight hits, including doubles by Champion and Art Borchers, before a man was retired in the third inning of the second game.

Five runs crossed the plate before Bob Bryant finally got the side out. Added to two first-innings runs, the scoring gave the park team a 7-2 lead.

Singles by Ross Holbrook and Norm Jenkins, a stolen base and an error put one more on the board in the fifth. Jim Bain pasted a leadoff home run in the seventh, and Borchers followed with a triple and scored the park district's final run on a sacrifice fly.

Carroll Gilson hurled the first five innings and was the winner. Norm Grote blanked the Merchants in relief over the final two frames.

Saturday's Pitchers
Ray Huff, who tossed a 12-inning six-hitter at the Alton Chiefs in a 2-1 park win last week, probably will hurl the first game against the Sealmasters Saturday evening. Ethel Grote or Dale Myers will pitch the second game. Price said. The doubleheader will get underway at 7:30.

On Sunday, the park club will play its first home games of the season at Wilson Park, meeting St. Louis' Eighth Inning Lounge in a twinbill set for 7:30 p.m.

170 Honor Miss Mary Cowan On Retirement

A gathering of 170 Tuesday evening honored Miss Mary Cowan, retiring in June after 48 years of service in the Granite City school system as teacher, principal and counselor. She is a social worker in the district's special education department, which was sponsor the smorgasbord dinner in the high school cafeteria.

Harold Thomas, special education director, was master-of-ceremonies and other administrators speaking were Supt. Harold M. Kaiser, Assistant Supt. Russell D. Johnson, Earl Lee and Lawrence McCauley. Mrs. Beatrice Pyle led a "This Is Your Life" program. Mrs. Ethel Weiss offered prayer and Mrs. Vera Farrow spoke. A silver serving tray was presented by Mrs. Marjorie Hillier.

A letter was read from former Supt. Paul A. Grigsby, and out-of-town guests present included Mr. and Mrs. Dennison Foster of Alton and Mr. and Mrs. Roe Sutter of Creve Coeur, Mo.

Born in Girard, Ill., Miss Cowan was brought to Granite City in 1904 by her father, a physician, who practiced here until his death in 1916. She is a graduate of Granite City high school, Washington University and the Brown School of Social Work. Her memberships include the Ramblers, Delta Kappa Gamma and American Association of University Women.

Sides Of Greece Viewed

Photographic slides of Mount Athos, monastic republic in Greece, were shown to Madison Rotarians yesterday by Fr. Theodosius, pastor of the Nativity Eastern Orthodox Church, Madison, who spent a month there. He was introduced by Rev. Howard Lucas, program chairman. President Fred Schmidt named Leo Schermer, Alex Schenker and himself to a committee to prepare for entertaining foreign visitors during the 1963 Rotary International convention in St. Louis.

Humphreys Honored Upon Retirement

Robert Humphreys, 2237 Bryn-avenue, a 32-year employee at General Steel Industries, who retired this month, was honored at the plant yesterday by fellow employees of the blacksmith and liner shop.

Humphreys was presented with a stand grinder for his home workshop.

'Track Stars' Settle Verbal Duel Wednesday

Youth accepted the challenge of age—and won—yesterday morning at the Granite City high school track, where baseball Coach Joe Fedora beat off a closing finish by wrestling Coach Bill "Red" Schmitt to win an "exhibition" quarter-mile race.

The two coaches had been engaging in a verbal duel as to athletic prowess most of the spring, and it was brought to a climax Wednesday with other members of the GCHS coaching staff as witnesses.

The high school student body was not dissuaded to witness the race, and a good thing too. Fedora's winning time was 76.9.

Seek Softball Games

A Caseyville VFW men's softball team is seeking evening or night games with teams from this area. Interested teams can contact Don Edwards at UP 3-6532 after 5 p.m. or write to Edwards at 3635 Renshaw, East St. Louis.

Madison Loses 10-9 'Nightmare' To Comanches; Finishes Season At .500

Madison high school's chances to gain a tie for the Midwestern conference baseball title evaporated Tuesday afternoon as the Trojans bootled away a 10-9 decision to visiting Comanches.

Eight of the Comanches' 10 runs were unearned as the result of errors by Madison infielders. "It was a nightmare," said Coach Larry McClanahan of his squad's last game.

The Trojans finished the season with a 6-4 record and a 6-6 overall mark. They fell to third place in the conference standings behind Highland (5-2) and Roxana (6-3), who have a showdown battle to play.

Chahokia took a 2-0 lead in the first on its only earned runs off MHS starter and loser Dan Trotts.

Grand-Slam By Podoba
Madison came back with three in the third and opened up a comfortable lead in the fourth.

Hollis Feature Winner Tuesday At Speedway

Granite Cityman Dave Hollis won the 35-lap feature event for modified cars, concluding event on Tuesday night's stock car racing program at the Tri-City Speedway.

Jim DeVeto led winners in the number of first-place finishes, taking both heat races and the 25-lap feature event in the fender-bender classification.

Modified class winners were Mac McCowen in the handicap and first heat races and Bill Pledge in the second heat race. Bill Feld won the first heat race for amateur cars, and Ron Short took first in the second heat and 25-lap feature race.

The track has scheduled stock car racing next Tuesday, with time trial at 7:30 p.m. and the first race one hour later.

Stafford Fires 300 Game At Bowland

Paul Stafford, a 198 average bowler from Edwardsville, fired the third perfect game shot at Bowland lanes here Tuesday night when he rolled a 300 in open bowling on Alley 13 while attempting to qualify for a television bowling show.

It was Stafford's first perfect game. He is employed at McDonnell Aircraft Corp. in St. Louis, and is a regular bowler at Powlan.

Two other bowlers have rolled perfect games at the Granite City house since it opened. Gene Henry was the first to do it, in 1960, and John Mazzola of Collinsville had a perfect game in Classic league play last November.

GC Democratic Club Elects New Officers

The Granite City Democratic club held its annual election of officers Wednesday night at the YMCA.

Those elected were: Harold Hillner, president; Robert McCormick, 1st vice-president; Frank Buzessary, 2nd vice-president; Geraldine Johnson, treasurer; Peggy Burch, corresponding secretary; and Mary Jayne Eli, recording secretary.

Elected to the executive committee were Ernest Eli, Horace Calvo, Richard Allen, Henry Pieper, Weldon Burch, Von DeCruse, William Warfield, Vasil Efremoff, William Porvelli, Bill Williams and Thomas Nesbitt.

The club endorsed the King-

Thompson medical aid bill and the proposed sewer bond revenue ordinance. The latter bill was explained by William Beatty and Edw. Juneau.

Saturday Dance Planned At GC Teen Town Club

A dance will be given from 8 p.m. to midnight Saturday at the YMCA by the Teen Town Council, H-Y and Tri-H-Y clubs.

The dance is open to any Granite City high school student or ninth grader. The admission for non-members is 50 cents per person. Teen Town members will be admitted on their membership cards. There will be free refreshments — ham sandwiches, potato chips, ice cream and soda and music will be furnished by a band.

Mrs. Mae Arnsperger, Former Teacher, Dies

Word has been received here this week of the death May 17 of Mrs. Mae Arnsperger, 87, former Granite City teacher and first principal at McKinley school. Funeral services and burial were Saturday in Chicago.

Mrs. Arnsperger began her teaching career here in 1907. In addition to McKinley, she taught at the old Liberty annex, and taught sixth grade at Emerson school from 1933 to 1942, after her "retirement."

She introduced physical education into the Granite City school system in 1908, and also began the teaching of manual training and home economics.

On her last visit to Granite City in 1952, she was honored at a banquet given by friends and former students of this community.

In ill health for the past four years, Mrs. Arnsperger had been a patient at a Harvard, Ill., nursing home. She died at Harvard Community Memorial Hospital.

She is survived by a daughter, Mrs. Robertine Esther Fox of Chicago.

Runaway GC Boy Found In Mississippi City

James Henry Rehms Jr., 15, who disappeared May 8 after ninth grade classes at Coolidge junior high school went back to school today. The boy was found in Hernando, Miss.

His father and stepmother, Mr. and Mrs. James Henry Rehms sr., had heard no word of the boy from the time he disappeared until Monday. Mr. Rehms immediately went to Mississippi to pick up his son. They returned last night.

The boy was the object of a widespread search. He had told friends he intended to hitchhike to Chicago or hop a freight to Tennessee. He was under the impression one could find work in Tennessee at the age of 14.

Problem Encountered In New Water District

Residents of the Mitchell Public Water District living south of U.S. Bypass 66-40 are being asked to notify District Manager George Warnecke when they will be home for signing a connection card.

The turn on of the water supply for 350 units was started this week, but it has been discovered

only one out of 10 families are at home.

"We can't turn the water on if no one is in the house," Project Engineer Edw. Juneau explained. "For we don't know if our faucets have been left on safety program for Memorial Day."

a cross-section of the community.

"Urban renewal credit which the city will qualify for could conservatively amount to \$10,000,000 in federal funds for approved projects here. The treatment and drainage program itself will be substantial, and there will be much other new construction as soon as there is final approval of the program and the state lifts its restrictions on extensions to the sewer system."

"All this is certain to increase local payroll and enhance the value of all property. When other factors, such as the new university, are considered, the growth potential is even greater."

"In view of the time that will be required for engineering and awarding of contracts, I feel we should get started. As long as we delay, we are doing the progress of Granite City."

Fred Flebanek, an officer of Steelworkers Local 1983 and financial secretary of the City-County Labor Council, said: "There is already too big a burden on taxpayers, and I would like to see the city rather than the levee district setting the fees and inspecting the work so that we don't have any breaks in the drainage lines. I would rather see the treatment of sewage done on the most economical basis."

Harold Karamanoff, president of the American National Bank, said: "I feel that the faster we move with this program, the better it will be. Costs are bound to increase if there is a delay. Weather is a factor, especially if contracts could be awarded this summer."

"Granite City cannot start any new subdivisions until this is approved, which is an important reason to be for it. If we try to stand still, we will go down hill."

Harold R. Fischer, president of the First Granite City National Bank and a member of the board of trustees of Southern Illinois University, said: "A referendum would be a waste of money. The pollution-drainage program is

Plan Beauty Contest, Paganite Here Monday

The first annual "Miss USA" beauty contest and paganite, jointly sponsored by members of the Downtown Granite City Shopping Center and Station WGNW will be staged Monday night.

The event is scheduled to begin at 8 p.m. on a temporary stage at 19th street and Edison avenue. Nineteenth street, between Delmar avenue and State street, and Edison avenue between 18th street and Niedringhaus avenue will be roped off to vehicle traffic at 7:30 p.m.

The contest will feature 24 girls from throughout the metropolitan Illinois - Missouri area. The girls will parade throughout the Quad-Cities in a motor cavalcade from 5 to 7:30 p.m.

must for this area if it is to survive and have a sound economy. Further delay is absolutely unnecessary."

Joseph Gottfried, commander of American Legion Post 113, said: "There is no question that this program is essential and necessary, and that it should be done immediately. For the future, the need for something to be done immediately, a big issue is the estimated rate. The average home owner already is paying a lot for taxes and sewers and would like to see a lower rate if it is possible."

Carl A. Ruff, chairman of the City-County Regional Port District and president of the J. C. Ruff Bottling Co., said: "From the standpoint of the future development of Granite City, it's very important to us that this be done. As it is now, there can be no more homes built in certain areas because we don't have adequate drainage; this definitely will curtail any type of development. We feel this is one of the necessities in planning for the city and its future growth. It's a must."

Edward Meng, president of the Granite City Rotary club and assistant postmaster, said: "The pollution-drainage program is needed, and needed immediately. Approval of the city's action without further delay can let the program get started, as well as the new construction now held back by the state order against any sewer connections."

R. C. "Tip" O'Neill, president of the Noonday Optist club and a local realtor, said: "The citizens' committee has studied this for a couple of years or more and has approved the plan. I feel we are in great need of this type of drainage. I think the people should accept the program approved by the citizens' committee and the city council."

GC Park Board Renames Officers To One-Year Terms

All elective and appointive officers from 1961 were renamed to one-year terms last night during an annual reorganization meeting by commissioners of the Granite City park district.

Elected officers for 1962 include Barry Loman, president; Milton Worthen, vice-president; and William R. Fischer, secretary.

Reappointed were William R. Fischer, treasurer; Harold Robertson, attorney; Harold Robertson, director of parks and recreation; and Ernst Sievking, superintendent emeritus.

Committee heads appointed by Loman were commissioners Earl Bloomquist, engineering; Clarence Baumeister, parks and recreation; and Milton Worthen, salary and finance.

Preparing Budget
The committee will hold a special meeting in about two weeks to draw up a tentative 1962 budget and appropriation ordinance.

Last night the board authorized the purchase of a new brush mower attachment from Soetich Farm Equipment Co., 223 East Chain of Rocks road, at a total cost of \$2800.

The board also authorized a call for bids on a station wagon for park district personnel. It is seeking a new, two-door, six-cylinder standard shift model as a replacement for one now owned by the district.

Also authorized was the purchase of seven new uniforms for park policemen at a cost of \$108, and a key cabinet for the office of the director of parks and recreation at a cost of \$75.

156 Dogs Inoculated At GC Rabies Clinic
Rabies inoculations were given to 156 dogs last night, according to Dr. L. H. Holt, veterinarian.

He was in charge of the inoculation clinic at the city garage.

Dr. Holt termed the clinic very successful. "We had a good turnout," he said. "The more animals inoculated, the safer our community will be."

A rabies inoculation is necessary before a city dog license will be issued. The licenses are now due.

Plans were discussed for summer activities of the pack. Other members taking part were Cubmaster Lawrence Astlin, Ray Duke, Bert Ahrens, Mrs. Norma Burk, Mrs. June Weaver, Mrs. Juanita Smith and Mrs. Beverly Singleton.

The pack meeting will be held Monday at 7:30 p.m. in the school gymnasium.

School Drop-Out Study In Venice This Summer

Venice high school's have been selected by the state guidance department to participate in a follow-up study of students who entered high school in 1954 and 1957. Both the students who graduated and those who left before graduation will be included.

Miss Morene Greshing will coordinate the study this summer, and questionnaires and interviews will be used.

Need for this type of information is pointed up by recent statistics on 16 and 17-year-old drop-outs, state school authorities say. Last year, while 1500, 000 students graduated from high school and 600,000 of them went on to further education, 800,000 in the 16 and 17 age groups were not in school. Many of the drop-outs were unemployed, and many of those who were employed were in low-paying jobs with limited futures.

With more and more jobs requiring special training, Venice and Lincoln high school faculty members and employers have expressed concern. Information gathered is expected to be of value to school counselors and others concerned with the welfare of youth. The data also is to be used to impress upon young people the importance of education and skills in competing for jobs in an increasingly complex society.

The project will be conducted by a number of schools throughout the state to find out how Illinois fits into the national picture.

Other Madison county school districts participating are Roxana, Highland, Edwardsville, Bethalto, Collinsville, East Alton-Wood River, Worden and Livingston.

6 Madison County Prisoners On Parole Docket
Six Madison county men in Illinois State Penitentiaries have been scheduled to appear before the Illinois Parole and Pardon board during June and July.

TO BE ORDAINED AS BAPTIST MINISTER

Raymond O. Lewis, son of Mr. and Mrs. Joseph Lewis, 2332 Lincoln avenue, is to be ordained as a Southern Baptist minister at 2:30 p.m. Sunday in Second Baptist Church during a public service.

Lewis and his wife, the former Miss Loretta Shaver of Madison, are attending Ouachita Baptist College, Arkadelphia, Ark.

Dr. Kathleen Jones Primary Sunbeams of Second Baptist Church met Tuesday afternoon to complete a month's study of mission work in large cities. Mrs. Betty Lewis was in charge, leading singing, games and prayer and told stories.

Bible verses were read, a booklet was made for an ill child and clay was used to make animals in a zoo.

It was announced by Mrs. Lewis that next Tuesday, Dr. Bill Richardson, Southern Baptist medical missionary, will visit the group. He will leave with his family next month for Ghana, Africa. All Sunbeams and parents are being invited to attend.

Gary Lewis closed the meeting with prayer. Others present were Glenda Wells, Frances Welty, Rusty Miller, Bobby McCord, Danny Bug, Michael Reynolds, Larry Anderson, Dean Olive, Theresa McMurtry, Denise Whitson, Channon Marmol, Allen Newberry, Corky Burnett, Beverly Bellman, visitors Gail Lewis, Sandra Winbush, Dennis Reynolds, Judy McMurtry and John Smith.

The Mildred Richardson Sunbeam Band of Second Baptist Church met Sunday.

Mrs. Amy Toney was in charge and told the children stories. They sang and played games.

Refreshments were served to Vickie Welty, Nancy Sanders, Julie Whitson, Gail Lewis and Kenny McKinney and a visitor, Sheryl Cowley. Mrs. Lenore Wel

Provisional League Hears Talk On Schools

The Provisional League of Voters held a general meeting Monday evening at Granite City high school, with J. W. Senett, president, conducting the meeting. Mrs. Gerald Broadway read an article on the national convention held in Minneapolis this year, and Dr. Harold M. Kaiser, superintendent of schools, spoke.

He discussed the Granite City school system, pointing out that there is a 6% increase each year in the number of students entering the schools, creating a need for more facilities. Dr. Kaiser then explained school building, finance and curriculum, and answered questions about these topics.

Mrs. Leo Roman spoke on the constitutional convention, state assignment for study this year. Mrs. Senett reported that at the last board meeting, Mrs. Robert Jones, Illinois chairman for new leagues, and Mrs. Raymond Robertson, state public relations committee chairman, visited in an advisory capacity.

Mrs. Elma Hoover gave a report on the "Know Your Town" survey which is being done by the local league. Mrs. William Hildebeck reported on progress of the finance drive being conducted to meet the budget for the coming year.

Next regular unit meeting will be June 6. The next general meeting will be in August or September.

played games.

The Youth Fellowship of Mount Zion General Baptist Church met Sunday night. The program, called "You Be The Judge," was introduced by Mary Goodall. Songs were led by Charles Michael Meador. A Bible "quiz" Famous Bible Judges, was given by Barbara Griffith. Scripture was read by Dutch Green, and four topics were read and discussed by the group. A circle prayer ended the meeting. Twelve attended.

Elect Officers

The Episcopal Women of St. Bartholomew's Church met Tuesday evening and elected the following new officers: Mrs. Janet Butler, president; Mrs. Virginia Nyberg, vice-president; Mrs. Zoe Mitchell, secretary; and Mrs. Lillian Chepeley, treasurer. Mrs. Walter Harris is the retiring president.

A pot luck supper was served before the meeting and one of the highlights of the evening was a surprise bon voyage party for Mrs. Kay Acquaviva, who will leave June 22 for Italy to visit relatives.

The appointments were in keeping with the occasion and above the table was suspended a small airplane. Decorations were carried out in blue and white and a central arrangement of flowers and a cake were used on the table. Gifts for the trip also were presented to Mrs. Acquaviva.

Committee chairman for the coming season were announced and after dinner and social session the members devoted the remainder of the evening to games with prizes going to Mrs. Georgia Butler, Mrs. Ruby Wagner, Mrs. Nyberg, Mrs. Virginia Jenkins and Mrs. Acquaviva. Sixteen members were present.

The group has recessed for the summer months but will resume meetings on the first Tuesday in September.

Guild Celebrates 10th Anniversary

The tenth anniversary banquet of the Women's Service Guild of St. John Lutheran Church, Dale and St. Clair avenues, was held this week at the church.

Dinner was served to about 90 persons, including two guests, Mr. and Mrs. Ronald Martin of Tallahassee, Fla., brother-in-law and sister of the pastor, Rev. Samuel Boda.

The meal was served by the Women's Service Guild and the Ladies Aid and there were talks by the pastor, and by Joseph Cell, president of the congregation, who listed some of the accomplishments of the Guild during the past ten years.

Special recognition was given the past presidents attending and they were honored with a hinderschief shower. They were Mrs. John Karchek, Mrs. Joseph Cell, Mrs. Boda, Mrs. Joseph Azari, Mrs. Robert Binkow, Mrs. Kenneth Cowan and Mrs. Martin Martinko, who is the 1962 president. Flowers were pinned on each of the ladies by Mrs. Martinko. Other past presidents unable to attend were Mrs. Mary Rubick, Mrs. Ruby Dink, Mrs. Rudy Therick and Mrs. Charles Gilmore.

Golden Age Club Adds 4 Members

Kirkpatrick Homes Golden Age Club met Tuesday at the hall for a pot luck dinner served to 50 members.

New members welcomed were Mr. and Mrs. Gregory Sida and Mr. and Mrs. Fred Hoedebeck, and guests attending were Mrs. Mary Thornton and Mrs. Neely Passage, the latter of Madison. The next pot luck dinner will be held June 26 at 12 o'clock at Wilson Park. A regular business meeting will take place at 2 p.m. June 12.

The SPIN-O-MATIC yieldable ball bearing drive is precision made... gives you years of trouble-free service. Hub, blade and large washer unit is attached to the crankshaft by a single bolt. The heavy die cast alloy hub helps absorb shock. The blade is made to turn with the engine by 8 spring loaded steel balls projecting from the hub into 8 matching holes in the blade. When the blade is suddenly stopped, this device allows the engine crankshaft to continue turning without damage. When the obstruction is removed, the hub will re-engage the blade... and allow the engine to continue operating. EXCLUSIVE AT OUR STORES.

Thebeau-Haig Engagement

Announcement is made by Dr. Lillian Margaret Haig of Tulsa, Okla., of the engagement of her daughter, Miss Karen Ann Haig, to Gerald W. Thebeau, a son of Mr. and Mrs. Roy P. Thebeau, 3516 N. Main road, Miss Haig's father was the late Dr. Karl J. Haig, an orthopedic surgeon of Vancouver, British Columbia, Canada.

The bride-to-be attended the Convent of The Sacred Heart in Vancouver. She has an associate of Arts degree from the San Diego, Calif., College for Women and a Bachelor of Science degree in finance from St. Louis University. She is presently a candidate for a Master of Science degree in Business Administration from St. Louis University.

Mr. Thebeau attended St. Louis University where he received a Bachelor of Science degree in Industrial Relations and has completed requirements for a Master of Science degree in Finance. He is a past president of the St. Louis College Chapter of the American Marketing Association and is a member of Alpha Kappa Psi, National Professional Business Fraternity. In addition he is a representative for State Farm Insurance Companies.

The wedding date was not announced.

FORMER RESIDENT HERE
Carl Jeff of San Francisco, Calif., is here for a visit of ten days with his mother, Mrs. E. O. Jeff, 2313 Grand avenue, his brother, Assistant Chief of Police Floyd Jeff, and a sister, Mrs. Rena Gumpertz of St. Louis.

MISS KAREN ANN HAIG, whose engagement to Gerald W. Thebeau, a son of Mr. and Mrs. Roy Thebeau, 3516 N. Main road, is announced by her mother, Dr. Lillian M. Haig of Tulsa, Okla.

Marshall PTA Picnic Friday

The May meeting of the Marshall school PTA was held Monday at the school. Intermediate Girl Scout Troop 349 conducted a flag ceremony under the direction of Mrs. Dolores Kahn and led the pledge of allegiance. The president, Elmer Stille, opened the meeting and Mrs. Joyce Warren offered the PTA prayer.

Reports were given by Mrs. Dorothy Lichter, and a report was given on the sixth grade class trip to Springfield. A letter was read from Mrs. Doris Mann recommending the trip every year, and a letter of thanks from the sixth grade was presented to the unit.

Gene Doyle reported on the school picnic and urged a family-style picnic. The school children are to receive tickets, and hot dogs, ice cream and soft drinks are to be on sale. The date selected is tomorrow, May 25, beginning at noon at Area Two in Wilson Park.

Stille reported on a convention he attended in Springfield and reported on a cornerstone ceremony at the new PTA headquarters. An auditing committee, Ed Gowan and Mrs. Majorie Stout, was selected.

Neighborhood committee for the Boy Scouts, Floyd Pitchford, announced the need for an institutional representative for Club Pack 17, sponsored by the PTA voted to continue sponsoring the pack.

Stille thanked the officers and committees for serving in the past year. The program was the park board film, presented by Dave Ray. It was of last year's summer activities.

The attendance banner was awarded to Mrs. Viola Edwards fourth grade class for the highest percentage of parents present.

BETROTHED. Miss Betty Jean Schiber, whose engagement to Ronnie Lee Criley, a son of Mr. and Mrs. Robert W. Criley, 9 Bermuda lane, is announced by her parents, Mr. and Mrs. Clarence Schiber, 18 Bermuda lane.

Criley-Schiber Betrothal

Mr. and Mrs. Clarence E. Schiber, 18 Bermuda lane, are making informal announcement of the engagement of their daughter, Miss Betty Jean Schiber, to Ronnie Lee Criley, a son of Mr. and Mrs. Robert W. Criley, 9 Bermuda lane.

Both young people are graduates of the Granite City high school, and Mr. Criley is attending Southern Illinois University. He is employed by McDonnell Aircraft Corp. Plans are being made for an autumn wedding.

Welcome Wagon Club To Nominate

The Welcome Wagon Club met Tuesday evening at the Granite City Trust & Savings Bank.

Mrs. Ellie Elther, Mrs. Charlotte Vanyo and Mrs. Hazel Brinks were named to the nominating committee to select new officers, and their report will be given at the June meeting.

Mrs. Vanyo is leaving soon to reside in LaSalle, Ill., and Mrs. Ellie Elther will spend the summer in Freehold, N. J. A new member welcomed was Mrs. Alicia Mills.

A get-well card was sent to R. L. Walker, husband of the Welcome Wagon hostess, and the new assistant hostesses were announced. They are Mrs. Erma Morrow and Mrs. Lorraine Decatur.

George Maize, manager of the local telephone office, showed a film entitled "Decorating The Home With the Aid of Telephone."

Refreshments were served by the hostess, Mrs. Vanyo, and games provided entertainment. Guests present were Mrs. Ann Maize and Mrs. Betty Mathias. Prizes were awarded in the games.

Eagles Auxiliary Wins Awards

The Eagles Auxiliary met Tuesday evening with Mrs. Juanita Blevins, the retiring president, in charge.

A bulletin was received from the state membership chairman, Mrs. Thelma Jurcek, announcing that the local group had passed the membership quota and that the publicity book of the Auxiliary was being readied for judging at the state contest.

Mrs. Norma Hemphken, chairman of the joint installation ceremony June 9 announced a rehearsal to be held June 7. The kitchen band will entertain at the Aerie State convention June 16 at Alton, and there will be a practice session May 29.

Mrs. Blevins was appointed chairman of the Father's Day banquet to be held June 13. Mrs. Flo Hillis and Mrs. Mae Amisch, who made up the kitchen committee the past year, were escorted and honored with a "best cook's" award. Both received gifts from the retiring president who also presented personal gifts to her officers and chairman. Prizes were awarded and refreshments were served by Mrs. Blevins, Mrs. Florence Hagauer and Mrs. Janet Cross.

Golden Wedding Anniversary

Mr. and Mrs. Chris Sansoucie, 2147 Lee avenue, will observe their 50th wedding anniversary Friday at their home. No celebration is planned by the couple.

Mr. Sansoucie is 73 and his wife is 78. They were married May 25, 1912, in St. Louis and have made their home here since that time. Before retiring in 1956 he was employed by the Granite City Steel Co. for 47 years.

They have one daughter, Mrs. Sam (Mabel) Richardson of Millstadt, Ill., a granddaughter and four great-grandchildren.

Fifth Grader Suffers Fractured Leg At Picnic

Bradley Whitford, 11, son of Mr. and Mrs. Clarence Whitford of 2810 West 22nd street, suffered a fractured left ankle when he fell during the annual Washington school picnic at Wilson Park yesterday.

A school official said the boy, who is in the fifth grade, stepped from a moving "merry-go-round" and apparently twisted his ankle. Mrs. Whitford had accompanied her son to the park, and was nearby when the accident happened.

Luther Mathenia Jr. visited with his parents, Mr. and Mrs. Luther Mathenia Sr., Monday evening and with his uncle, who is home from England.

Philip Mathenia returned home from the hospital this week. He was found to have the mumps.

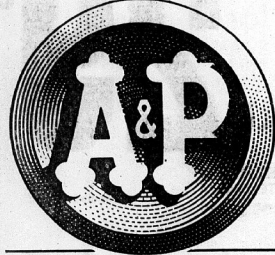

Superior State Latin Rating For GC Student

Barry Lewis, son of Mr. and Mrs. William Lewis, 4201 Rose avenue, has received a superior rating for his performance in a state school Latin contest at Monmouth, Ill., May 12. It was announced this week.

A sophomore at Granite City high school, he ranked within the top 20% of the 120 students qualifying for state competition. His instructor is Miss Mildred Ifriss.

Don't laugh at other's mis-takes — it may be your turn next.

4 Days At American
The local American Steel Foundries plant is scheduled to work four days next week, with a holiday for Memorial Day on Wednesday, it was announced today by a plant spokesman.

We are happy to join the U. S. Dept. of Agriculture in saluting the contributions of America's farmers to the Nation's welfare.

COOLIDGE PTA TO INSTALL, SEE FILM

Mrs. Valerie Evenden, president, conducted the final 1961-62 executive board meeting of the Coolidge PTA Tuesday evening in the library of the school.

The PTA unit meeting next Monday was discussed, and the installation of officers will take place at 7:30 p.m. Mrs. Marvin Roberts, District 29 president, of Alhambra, will act as installing officer.

After the meeting, at 8 p.m. the public has been invited by Mrs. Evenden to attend showing of the color film, "Granite City Park District In Action," which depicts activities of the park district over a 16-month period.

Also on the agenda will be presentation of certificates of appreciation for outstanding contributions to the Coolidge PTA in the past year. This will be the first time certificates have been presented by the unit.

A gift will be presented to the school from money derived from the spring fashion show, and a donation will be made to the Latin American ensemble.

Mrs. Evenden appointed Charles Jungels and Mrs. Mary Jesse to the auditing committee. Other members present were Lewis E. Salvin, Mrs. John Haynes, Mrs. Hildred Lewis and David Cattle.

MRS. SUMMERS HOSTESS TO BIRTHDAY CLUB

Mrs. Rose Summers entertained her birthday club in her home, 1716 Courtenay blvd., Tuesday evening.

The birthday of Mrs. Fleeta Staicoff was observed with gifts, and an appropriately decorated cake was used as centerpiece of the serving table. The game of "password" was played and a social evening was enjoyed. The club is made up of former neighbors and residents of the area surrounding the hostess' home, but many members have moved in the last few years.

They gather on each other's birthdays.

Club members honoring Mrs. Staicoff were Mrs. Iulene Lugscomb, Mrs. Peggy Hackney, Mrs. Naomi Rainer, Mrs. Martha St. Ivany, Mrs. Garretta Puskar, Mrs. Jane Thomas, Mrs. Loretta Werth, Mrs. Allen Robertson and Mrs. Jerri Izell.

The June gathering will be held in the home of Mrs. Robertson in Glen Carbon.

Bishop O'Connor Here To Officiate Sunday

Bishop William O'Connor of Springfield will visit Sacred Heart church Sunday to confirm approximately 200 persons and dedicate the new church.

The school dedication ceremonies will take place at 2 p.m. at the annex building along St. Clair avenue.

At 3:30 p.m. the bishop will confirm 180 children and at least 20 adults at the church.

Miss Jennings Elected To University Honor Post

In an election by Washington University's three women's residence halls, Miss Jo Ann Jennings, a daughter of Mr. and Mrs. Merl Jennings, 1725 State street, was elected secretary of the new Women's Honor Dorm, which will be open next fall.

This dormitory will operate on a trial basis, with every girl receiving a key to the front door.

Miss Jennings also was selected recently to serve as a counselor at a Washington University freshman orientation camp in Potosi, Mo., next fall.

Currently she is serving as rush chairman of her sorority, Alpha Chi Omega, and as an executive board member of the Freshman Advisory Service and the board of the Women's Recreation Association. She is a member of Angel Flight and Pan Hellenic. She will be a junior at the school next fall.

Area PTA Council To Install This Evening

The final meeting of the Granite City Area PTA Council will be held this evening at 7:30 at Nameoki grade school, with Mrs. Kathleen Tadlock, president, conducting the meeting.

Each PTA unit will have a three-to-five-minute "boasting period." At this time, the president of each unit will discuss a particular activity of unit duty during the past year. Installation of new officers will be held, and all principals and PTA members are being invited to attend.

New Members Inducted Into Roca Boys' Club

Maurice Lambert, Larry Henderson and Gerald Heffly were inducted into the Roca boys' club Tuesday during a meeting at the Granite City Moose Lodge.

The club's weekly dances will begin Thursday, May 31, at Big Top Bowl and continue until further notice. Dance time is 8 p.m. it was announced.

St. Louis Fined \$140

George Jenner, 37, of St. Louis, was fined a total of \$140 and given a 90-day suspended jail sentence with a year's probation Monday on charges of molesting a disturbance, assault and battery and damage to property. Fined by Magistrate Robert H. 214 Edison avenue. He appeared before Police Magistrate Gasparovic.

Seaman first-class Guy Kinney of Kansas City, Mo., spent Monday visiting his brother-in-law and sister, Mr. and Mrs. Marcel Isaak, 2614 Madison ave. Kinney was enroute to Carle to spend his leave with his parents and his children.

VISITOR LEAVES

Mrs. Helen Tomori of San Bruno, Calif., left Monday for an extended visit with relatives of her late husband, Louis, in Chicago. Mrs. Tomori has spent most of the last month visiting her brother, Rudolph Wagner, and his family at 1643 Lindell

blvd. While here, Mrs. Tomori attended the wedding of her niece, Barbara, to Heinz Bronner early in May. After the wedding, she spent some time in Rolla, Mo., with other relatives before returning to Granite City.

MRS. LOCKERBY HOSTESS TO CLASS

The Lydia class of Third Baptist Church was entertained Tuesday evening in the home of Mrs. Helen Lockerby, 2526 State street.

charge of the brief meeting, and reports were heard. Mrs. Smallie announced that the class will have a bowling party June 8 at Bowland.

After the meeting, games were played and prizes were won by Mrs. Hazel Mathis, Mrs. Smallie and Mrs. Opal Sampson. The hostess served a late dessert course. Others present were Mrs. Vera Kirkpatrick, Mrs. Gae Hannah, Mrs. Charlene Cox and Mrs. Ellen Fitzgerald.

8 Persons Hurt In 13 Area Traffic Mishaps

Eight persons were hurt in 13 traffic accidents reported in and near the Quad-Cities area this week. Three persons suffered slight injuries at 4:45 p.m. Tuesday in a crash damaging the front of the auto of Carl Webb, 58, Collinsville, going east on Fourth street, and the right front of the car of Clifford Prater, 51, Route Four, Edwardsville, southbound on McCambridge avenue.

Those hurt were Prater's passenger, R. H. Klutner, Route Four, Edwardsville, and Webb's passenger, Mrs. Jean Webb, Collinsville. The Webb vehicle was towed to a garage.

Two passengers were slightly injured Wednesday in a car driven by Christine M. Ray, 42, of 2307 Denver street. They were Danny Ray, 17, same address, and Lucette Riddle, 15, of 1915 Park avenue. The auto was involved in an accident at 21st street and Madison avenue with another driven by Arthur E. Heathly, 18, of 2229 Edison street.

Grady Tolton, 29, of 2755 Sunset drive was slightly injured this morning when he was involved in a minor accident at the intersection of Warren and Faith avenues. The auto he was driving was in a collision with one driven by Melvin D. Kirk, 31, of Wood River.

Joey Lewis, 9, of 1205 Kirkpatrick home, was injured slightly Wednesday when he ran

Lawrence Long Dies; Ill For Two Years

Lawrence Long, 65, of 2922 Marshall avenue, died at 11 a.m. yesterday at Jewish Hospital, St. Louis, where he had been a patient three weeks. He had been ill two years.

Mr. Long was a retired crane-man at American Steel Foundries. He worked there 42 years and was a member of the 25-Year Club and United Steelworkers Local 1063.

Born in Missouri, he lived here 42 years.

Survivors include his wife, Mabel, a son, Eugene, of Granite City; a daughter, Mrs. Harold (Alice) Talley, Granite City; two sisters, Mrs. Pauline Nade of Granite City and Mrs. Irene Hughes of Madison; a brother, Roscoe Long of California; and four grandchildren.

Funeral arrangements are given in the obituary column.

from behind an auto at Namekoki road and East 25th street and was struck by the auto driven by Charles D. Tchenor, 30, of 2858 Dogwood drive. The boy was treated at St. Elizabeth's Hospital.

Walter Emde, 56, of 1249 Niedringhaus avenue, was treated Tuesday night at St. Elizabeth's Hospital for cuts to his face and bruises. He was not hospitalized.

Emde was involved in a traffic accident at Hartford.

Levee District Proposes Venice-Madison Hookup

Madison Mayor Steve Maeras and Venice Mayor Dr. John E. Lee are expected to present the details of a co-operative pollution abatement plan with the St. Louis levee district to their city councils within a month following a meeting with levee board officials Tuesday night.

Maeras said today that "There is a good possibility of the levee district helping Madison and Venice... with a negligible increase in cost to householder over the original plan which included participation by Granite City and East St. Louis."

The proposal discussed Tuesday night by the city mayors, representatives of the consulting engineering firm of Horner and Shifrin, levee district chief engineer A. L. Krenner and the levee board's engineering committee called for the installation of a sewage line beginning in Madison, passing through Venice and continuing to a levee district pumping station which would be constructed in the Landsdowne area north of East St. Louis.

"Roughly, the cost per average household was figured at \$11 per year," Maeras said today. "And that's not taking into consideration the cost which might be offered."

He added that the projected costs would not be more than "a dollar or two" above similar fees proposed under the original Horner & Shifrin pollution abatement plan which was adopted by Granite City and East St. Louis, which since have expressed the desire to construct their own abatement works.

"The possibilities of a joint Madison-Venice undertaking, separate treatment plants, or our joining with Granite City if they would accept us are still being considered," Maeras added. "But from the fig. as supplied by the engineers, pumping to the Landsdowne plant would seem to be the most economical arrangement."

Watch Stolen

Orbie Lemon of 4140 North drive reported Tuesday that a wrist watch was stolen from her at a cafe where she works. She said she had left it in the washroom while working at the counter. The cafe is located in the 1900 block of State street.

Hi-Run Accident

Leo Clements, 29, of 2428 State street, told Venice police a driver who fled the scene hit his car as it was parked at the rear of the Goodrich Tavern, Fourth street and Broadway, before 11:30 p.m. yesterday.

Card of Thanks

WE WISH to extend our heart-felt thanks and appreciation for the acts of kindness, messages of sympathy and beautiful floral offerings which were sent to our many friends in our day of bereavement in the loss of our beloved mother and sister, LOUISA COTTER. Special thanks to Rev. Baumann, organist and singer, pallbearers and Mercantile Funeral Home, COTTER, NIECES AND NEPHEWS.

WE WISH to extend our heart-felt thanks for the many floral bouquets and for the many acts of kindness shown us in the recent loss of our dear mother and grandmother, JUANITA KIBORT. Special thanks to the 1st floor nurses and staff of St. Elizabeth Hospital. Another special thanks to John Sedlak, the pallbearers, Rev. Lawrence Mattingly and to all the wonderful friends and neighbors who brought food.

In Memoriam

IN LOVING memory of WILLIAM COPMAN who passed away May 24, 1961. God only knows how we miss you. Still the memory brings us tears. Still the memory brings us pain. But today it's been one year.

WIFE AND CHILDREN

IN LOVING memory of our dear mother and daughter BARBARA PRINCE, who passed away 2 years ago May 23rd. We will miss you every day.

And use our thoughts to heaven. And climb it each day to see you.

Sadly missed by daughters and mother.

IN LOVING memory of ESTHER KOSTECKI who passed away May 27, 1958. Dear mother, you are not forgotten. Though on earth you are no more. Still in memory you are with us. As you always were before.

Sadly missed by JAMES GERBOK FAMILY.

on the same basis as in the past. The administrative staff was asked to check with the Weiss firm on school doors installed so that a payment had been held up could be released.

Student Insurance

Student accident insurance and football injury coverage for 1962-63 were awarded to the Leagues Agency on its bid, which matches the rates of the Page Insurance Agency. Monte Vernon, present insurer, and offers expanded benefits. Tuning of 45-60 pianos was awarded to Graham Pierce, East St. Louis, on its low bid of \$894 a unit. Maximum cost would be \$1,430.

The GCHS yearbook contract was awarded on a low bid of \$510 to Taylor Publishing Co., Kirkwood, replacing the past contractor, InterCollegiate Press. Purchase of a moving machine for the Soetich firm on a low bid of \$351 was approved. Bids in eight categories for action later, and bids total \$807 in the educational fund and \$878 in the building fund.

The board reviewed summer repairs and improvement projects and decided to seek bids on blacktop and roofing work and to proceed with painting. Other projects will be acted upon later.

GC-Belleville Game Is Set Here Today

Granite City and Belleville high school baseball teams have scheduled their southwestern conference game for 4 p.m. today at Wilson Park, GCHS Athletic Director Dick Yates said late this morning.

The game originally had been set for tomorrow. It will conclude the season for the 2-9 Warriors. Belleville is 6-2 in SWC play and needs a victory today to maintain first place. Edwardsville and East St. Louis have finished with 9-3 marks.

The Maroons advanced to the finals of the Belleville regional tournament on a 10-9 win over Mater Dei of Breese yesterday. Wood River eliminated Edwardsville in another regional game yesterday, 6-1.

Sidney Aubrey Improving At Local Hospital

Sidney L. Aubrey, 2108 Garfield avenue, is expected to be released early next week from St. Elizabeth Hospital where he is undergoing treatment for a lung ailment.

Aubrey, who is vice-president of Mercantile Mortgage Co. and president of the Tri-Cities United Fund, entered the hospital Saturday when it was discovered he had fluid in his lungs.

Woman Suffers Attack

Granite City firemen administered oxygen Wednesday afternoon to Ann Ropac, 43, of 1640 State street. She had an asthma attack in a restaurant in the 2000 block of Edwardsville road. She was taken to St. Elizabeth Hospital for treatment.

RETIRING TEACHERS HONORED AT DINNER

Mrs. Grace Johnson and Mrs. Marjorie Lomax were honored upon their retirement at a teaching Tuesday evening at a smorgasbord dinner at the Rose Bowl Restaurant, given by the personnel of Harris grade school, Madison. Mrs. Johnson and Mrs. Lomax each received an orchid corsage and a gift certificate.

During the evening, the two were members of the "Order of the Puddle," which was arranged by Mrs. Dorcas Salerno and Miss Sherry Souley. Each was presented with a scroll on which appeared a poem and a small golden paddle.

The musical program was under the direction of Mrs. Valerie Stevens, music supervisor. The fifth grade chorus of Louis Bar school sang several selections. Miss Cynthia Zahn and Miss Donna Dowdell rendered two vocal selections and Miss Sharon Reynolds gave a reading.

Those who attended were Mrs. Clara Taylor, Mrs. Irene Kunkel, who had charge of arrangements, Miss Sherry Souley, Jerry Sinner, Mr. and Mrs. George Serlino, Mr. and Mrs. James Hayes, Mrs. Catherine Hildebrand, Miss Clara Rahms, Mrs. Eudalia Francis, Arthur Christie, Mr. and Mrs. Harold Berger, Miss Margaret Booth, Mr. and Mrs. John Getreid, Miss Carrie Hinkle, Mrs. Helen Merski, Mrs. Elva Smith, Mrs. Blanche Blesmer, Art White, Mrs. Mary Evans, Mrs. Stevens, Mr. and Mrs. Charley Delp, Miss Hattie Johnson, Casey M. Lomax and the principal of the school, Francis Dant.

At the close of the scheduled program, Mrs. Johnson and Mrs. Lomax gave short talks thanking those present. Each told of various phases of her teaching career. Mrs. Johnson has taught for 18 years in the Madison schools, while Mrs. Lomax has taught for 37 years and in each school of the Madison district.

ANNUAL INSTALLATION

The annual installation of the Madison ladies city organization was held Monday evening at the Sportsman's club. Dinner was served by the retiring officers, Mrs. Margaret Michels, Mrs. Sally Bosworth, Mrs. Sarah Duffko, Mrs. Juanita Brown and Mrs. Sally Maeras.

The tables were decorated for the occasion. Mrs. Michels, the retiring president, presided over a short business meeting.

Mrs. Sadie Wojcik was the installing officer, assisted by Mrs. Sally Maeras. Those taking office were: Mrs. Sally Bosworth, president; Mrs. Maxine Costoff, vice-president; Mrs. Julia Voloski, secretary; Mrs. Ann Bialczak, treasurer; and Mrs. Marie Stawer, marshal.

Each officer wore an orchid corsage presented by the club. The meeting was turned over to the new president and various topics were discussed. The meetings will continue to be held during the summer, with Mrs. Margaret Hill, Mrs. Mitchell, Mrs. John and Mrs. Mary Hlava being hostesses for the June meeting.

Three new members welcomed were Mrs. Hill, Mrs. Genevieve Blumentstock and Mrs. Virginia Schreiber. The remainder of the evening was spent as a social gathering, with games played. Gifts were presented to the retiring officers.

THETA EPSILON ELECTS

An election of officers was held by the Theta Epsilon club at a monthly meeting Monday evening. The members met in the home of Mrs. Paulette Pedorchak, 2301 Beckwith avenue, with the vice-president, Mrs. Mournie Graves, in charge.

Those elected included Miss Pat Star, president. Mrs. Graves will continue to be vice-president. Mrs. Linda Caruso was elected secretary. Miss Donna Adams treasurer and Mrs. Fedeorchak, reporter.

Miss Kay Ditch, a former member of the club now a stewardess with Eastern Airlines, called at the Federbach home from New York to speak to the girls.

Those present were the new officers and Mrs. Valerie Jo Grogan, Mrs. Joan Smith and daughter, Kimberly Lynn, Mrs. Dorothy Weckman and daughter, Cynthia Lynn, Misses JoAnn Buchek and Yvonne Yonack. The hostess served refreshments.

CHATTER CLUB MEETS

The Chatter Club met Monday evening in the home of Mrs. Annie Laura Platt, Mrs. Deloyce Rhoads, Mrs. Billie Bosworth, Mrs. Mattie Bosworth, Mrs. Bernice Gushfield, Mrs. Sally Bosworth, Mrs. Elsie Gnoth and Mrs. Sandra Pumpfrey.

Mrs. Gushfield held high score for the evening, with Mrs. Platt low. Prizes were awarded. Strawberry shortcake and ice cream were served by the hostess prior to the adjournment for a month. The members discussed attending the opera during June. Mrs. Billie Bosworth will be the next hostess.

ANOTHER GATHERING HONORS TEACHERS

Another party was held this week honoring Mrs. Harry Johnson, Mrs. Catherine Lomax and Mrs. E. M. Hancock, teachers in the Madison school district who are retiring at the close of the school term. Mrs. Lomax and Mrs. Johnson are teachers at Harris school while Mrs. Hancock is a teacher at Dunbar school.

A gift was presented with a scroll by Madison Federation of Teachers Local 763, of which they are members. Each received a gift certificate. The monthly meeting of the local was held prior to the party, with Porter Cawly, president, in charge.

An election of officers was held, with Cawly named president. Addie Darden vice-president, Clara Horton recording secretary, John Phelan treasurer, Myrtle Booth financial secretary and Clova Taylor, corresponding secretary. The vice-president will be a delegate to the national meeting in Detroit Aug. 20-24. Mrs. Willie Watts is alternate delegate.

It was announced that Paul Lawley is to receive the teaching scholarship. He will be in his second year at Southern Illinois University, Carbondale. The scholarship is awarded each year to one interested in becoming a teacher who has completed one year of college.

The party was held in the home economics room of Madison Junior high school. Mrs. Amanda Brehe served refreshments.

BRIDAL SHOWER

For Miss BARGEL. Miss Linda Bargel, who will be married to Joe Stajduhar, was honored with a miscellaneous shower Sunday afternoon.

The shower was given by Mrs. Nellie Barger, Mrs. Lorraine Gonterman and Mrs. Julia Rozycka at the Federal Hall in Madison. The dolls were dressed by an aunt of the bride-to-be, Mrs. Catherine Rozycka.

Favors for each guest were miniature crocheted umbrellas made by the bride's mother, Mrs. Nellie Barger.

BUCKET LUNCHEON

A buffet style luncheon was served by members of the Social Six Canasta club, consisting of Mrs. Margaret, Mrs. Julia Voloski, Mrs. Helen Kunkel, Mrs. Sophie Greene, Mrs. Gonterman, Miss Tillie Rydzig and Miss Julia Rozycka.

Games were played, with prizes being awarded to each winner. Miss Barger opened her many gifts. The wedding will take place at St. Mary's Catholic Church June 30.

ANNUAL BREAKFAST

The Madison Junior high school student council held an annual breakfast for student council members and sponsors in the home of economics room Tuesday morning.

Those present included the president, Leslie Babo, vice-president, Tom Williams; secretary, Carol Chapman; treasurer, Judy Barr; and members, Eva White, Arleta Schleuter, Steve Thomas, Rebecca Carty, Mike Stephenson, John Carlson and John Maeras. Mrs. Charles Goff, office secretary; Donald Purkelle, principal; the Rev. Paul Connelie and Robert Barnhart, sponsors of the group; and Miss Amanda Brehe.

Short talks were made by the members and guests. Arleta Schleuter, Judy Barr and John Schleuter, Judy Barr and John Schleuter, served on the decorating committee, while JoAnn Maeras, Eva White, Rebecca Carty and Tom Williams were on the refreshment committee.

Teenagers Want Parents And Leaders They Can Trust

(Editor's Note: This is the third in a series of four lectures delivered by Dr. Raymond E. Trovay, Southern Illinois University psychology professor, in the YMCA workshop on youth leadership. Subject of the third lecture is "A good teenage leader." The fourth and final lecture will be printed in a later issue of the Press-Record.)

There are many things in common between a good adult teenage leader, a good parent, and a good friend with whom teenagers can share their problems and get help as they face the crises of growing up. Teenagers want assurance they are doing the proper thing and often will seek counsel from trusted elders. If the progress into adulthood is to be socially acceptable and effective, a young person's transition must proceed gradually under the guidance of self-disciplined adults. Too much and too suddenly gained liberty leads to

confusion, and the boy may become prey of destructive influences. Adult overprotection or domination may arouse in the teenager strong feelings of resentment, or it may result in retarded personal and social development.

Many parents help youth in achieving a desirable balance of security and individual freedom. Perhaps never in history have adults shown a greater interest in the dynamics of teen-age development than at the present time. The danger is, however, that undue emphasis may be placed upon the failures of youth and not upon their good qualities.

Before any adult assumes responsibility for the welfare of teenagers, it is important for him to discover to what directing influences members of the younger generation are most likely to respond. Do they learn from comments of their elders? Should we require them to do as we say, or must we expect them to do as we do?

The good leader learns early to emphasize the positive achievements of youth. He will use his influence to prevent the development of unwholesome attitudes and behavior, and preserve desirable behavior patterns. He will also seek to identify and help those who may have inner conflicts and maladjustment.

Teenagers' Desires

What do teenagers want from grown-ups in their lives? Results from questionnaires they have filled out and from comments they have made in anonymous compositions should be helpful to all adults.

They want adults who will take time to listen to them, who will be sure to understand them, and in whom they can confide without fear of betrayal. Some times these are parents, sometimes group leaders, sometimes their minister or physician, and sometimes one of their teachers. They will not confide in an adult who does not show that he understands how they feel.

One girl expressed the need this way: "I feel that I have lost a great deal of companionship. I don't feel close to my family or other adults; I feel cheated of affection. It is true I have all the material things I could possibly need, but I don't feel it can make up for the companionship I feel I will never have."

"In times of despair," another 17-year-old girl wrote, "I can always get advice from my family. . . . They know it's my life that I have to live."

Although a few teenagers indicate distrust of adults, a larger number in surveys have expressed a desire to be trusted and accepted by parents and other adults. Typical is a statement by a high school girl: "I think parents should trust their children and in doing that gain their confidence so that when the child needs advice or guidance she will go to them and they can help her."

A girl from a poor home environment commented wistfully: "I've always wondered what it would be like to have parents that trusted me. My friends have parents like that, that's why I never stay home."

A 17-year-old boy summed it up by saying, "I think most boys want to be trusted like mature persons."

Results of Surveys

A study by the Wisconsin Youth Committee in 1954 indicates those characteristics preferred by youth for advisers. Studies of preferred teachers and for good parents of teenagers indicate similar traits are desired by the younger generation of their leaders. Some of the requirements of a good adviser were:

1. He must have a serious, sincere interest in seeing youth mature through experience.
2. The adviser must advise, not dictate. He must work in such a way that youth can draw their own conclusions through circumstances.
3. The adviser presents ideas frankly in a meeting. If his ideas are voted down, no putting pleasure.
4. The adviser works with youth doing dirty work.
5. He puts self in shoes of youth occasionally, even to the reaction like them (when in good taste).
6. He must be alert to group

Miss Jean Hinson 'Youth of Month'

Miss Jean Hinson, a senior at Granite City high school who plans to continue her education by enrolling at Illinois Wesleyan University in Bloomington next fall, was named "Youth of the Month" by members of the Daybreak Optimist Club.

The daughter of Mr. and Mrs. Elmo Hinson of 1538 Cottage avenue, Miss Hinson is a member of the National Honor Society, student council, Masque and Gavel, advanced mixed chorus, Modern Music Masters and Granite City high school.

She served as accompanist for the Cantando girls' glee club at GCHS and for the youth choir at Niederrhein Methodist Church where she is secretary of the youth fellowship.

She plans to pursue a liberal arts course in business and accounting in college.

that they not participate with her seems to be inconceivable. It is always a problem to know just how much participation is proper when one should stand apart by and let the teen-ager learn from his own strengths and weaknesses; when he can actively enjoy the fun they are having and refrain from being a "wet blanket."

Good Reasons Needed. If the leader, however, honestly feels that a certain form of conduct is undesirable, he is almost obligated to discuss it with his group at the first appropriate opportunity. Good reasons are needed. The matter should then be dropped unless the group wishes to pursue the subject.

The adult does not participate at the level of youth. He takes part at those points where ideas will be helpful, or to clarify some issues being discussed. One needs to be able to size up the situation and to know when to speak.

Adult judgment is a reliable guide provided that the principle of allowing a group the maximum freedom in decision making is strictly adhered to.

If a leader is sensitive to the moods of the group he can tell by facial expressions, a sudden silence, or by any of a dozen signs when he has overstepped. The group's confidence in him is increased if he lets it know simply that he realizes he has done so.

A leader's role is definite in teen-age groups. It is to help each member recognize and develop his own potentialities and find his unique place in the group. It is to help each member work together as a cooperative team; and to help the group recognize and pursue general and specific goals which are of interest to the members but which are also constructive in relation to the age group and the community.

The essence of adult leadership is, as Emerson says, "to be an opener of doors," but also to make sure that each door stays open until youth has happily and safely passed through and is ready to look for another.

Dependency on Adults. As we study the teen-agers

"YOUTH OF MONTH" for May, as named by the Daybreak Optimist Club is Miss Jean Hinson, a senior at Granite City high school and daughter of Mr. and Mrs. Elmo Hinson of 1538 Cottage avenue.

Receives Word Of 5000th Kiwanis Club Chartering

Kiwanis club number 5000 received its charter Monday evening, April 30, in Muncie, Ind., according to word received here by William Herman, president of the Kiwanis Club of Granite City. The charter was presented to the new Kiwanis Club of South Muncie by Kiwanis International President I. R. Wittmann of Milwaukee.

Wittmann characterized the event as "the attainment of another milestone in Kiwanis' 47 year history of growth and progress."

In its 47-year history Kiwanis International has built a membership of more than 260,000 members in the United States, Canada and Mexico.

Training Operation

David L. Bond, fireman, USN, son of Mr. and Mrs. Leon R. Bond of Rural Route One, is serving aboard the attack aircraft carrier USS Ranger, a unit taking part in Exercise Fork Barrel, a 10-day Navy training operation.

\$1 Worth of Mileage for 75¢
Outwear 5 Other leading brands 25% to 30%

Independent fleet tests by the South Texas Tire Test Fleet prove conclusively that Gates Nylon low profile tires far outwear 5 leading brands at same price level. After running the same miles on the same cars, Gates Tires still had 5/32" tread left as gage shows. This means, when others had little or no tread left, Gates would deliver thousands more miles—save you 25¢ on every dollar spent for tires!

No-Time-Or-Mileage-Limit Guarantee covers ANY failure—blowouts, bruises, rim-cuts, etc. (except repairable punctures). If tire should fail for any reason you get a new tire with full credit for unused mileage based on Gates standard, nationwide adjustment schedule.

23 YEARS AGO

The following items were taken from the files of the Granite City Press-Record on Thursday, May 27, 1921, which was held in a fortnight's time in St. Louis.

Memorial Day in Granite City and Nameless will be observed jointly Sunday by the Granite City Press-Record and the American Legion, Veterans of Foreign Wars and Tri-City Post 113, American Legion, in celebration of the day with a parade forming at the city hall at 1:30 p.m. Marchers will be veterans' organizations, local civic and fraternal groups, Community high school band, Legion drum and bugle corps and girls' drum and bugle corps of Troy, Ill.

A poppy flower plucked on the Ypres battlefield in Flanders Oct. 21, 1918, and preserved since that time is the prized possession of John Goodrich, world war veteran, residing at 718 Third Street, Venice. Between now and Memorial Day, the flower is on display at the Tri-City grocery store on Main Street.

Commencement exercises for graduation of the Venice grade school Friday night at the Venice high school auditorium will be the first of a series of programs commemorating the school year in that city, it was announced today by Supt. J. H. Hare. Diplomas will be presented to 25 pupils.

An analysis of Madison county instructors shows that 1551 men and women have teaching certificates and are eligible to hold positions. This is the largest number in history. However, there are only 925 teaching positions in the county.

Diplomas will be presented to 150 seniors at Community high school Friday, May 28, at 8 p.m. in the auditorium at the school. This is the largest graduating class in the school's history.

Rev. A. Ralph Lynn, pastor of the First Presbyterian Church, will give the invocation and benediction, with Supt. Paul A. Grigsby announcing the graduates and G. W. Hoelscher, president of the board of education, presenting the diplomas.

The intersection of 23rd street and Delmar avenue was closed with soda and broken pop bottles as the result of an automobile-truck collision yesterday. One man was injured, but the impact buried almost half of the truck's load onto the pavement.

Eleven pupils will be graduated at the Nameless grade school Friday, May 28, at 8 p.m. it was announced by Supt. Albert Busch. The class is smaller than a year ago, but the school is a success.

Mr. and Mrs. Emil Mueller of Nameless entertained their club, the T. H. C. Monday evening.

Their guests were Mr. and Mrs. Otto Roman, Mr. and Mrs. Eugene Baumberger, Mr. and Mrs. E. A. Roman, Mr. and Mrs. Elmer A. Branding, Mr. and Mrs. Evan Griffith and Miss Grace Elmore.

The Minnetonka held its final meeting of the season Tuesday evening in East St. Louis at the home of Mrs. Evelyn Warfield. The bridge favors were Mrs. Bessie Morgan, Reese and Mrs. James Morrison. The club members are planning a party

Byproducts of Space Research Are Improving Life on Earth

The "new ocean" the United States and Russia have embarked upon — space — is largely uncharted but already has led to the finding of many hidden treasures. Though the byproducts of space research do not yet offset the huge investment, nor were they intended to, the advances have been numerous and significant.

Pressurized space suits are making it possible for some bed-ridden patients to walk and work. Tiny electronic devices have restored lost hearing. Equipment developed to examine missile motors makes it possible to produce x-ray photographs at one-thirtieth the previous radiation exposure. Solar cells designed for satellites power a new portable radio. Tiny ball bearings aid the dentist's drill to run faster and less painfully.

Better sunglasses and anti-glare windows have been developed. Ceramic insulation made to withstand extreme heat is finding several industrial uses. Better coffee should result from a new cloth filter. Space medicine has made discoveries that will keep earth-bound people healthier. And computers, radio and television sets benefit from transistors and semi-conductors initially produced for space.

Man probably would venture into the unknown even if there were no possibilities of financial or scientific reward. But it is good to know that there will be many added dividends from the costly but necessary race to the moon and beyond.

People in bondage have developed spiritual faith; spiritual faith has given them great courage; courage has brought them freedom; freedom has given them abundance; abundance has caused selfishness; selfishness produced complacency; complacency brought on apathy; apathy bred dependency; dependency brought forth its natural result, bondage. Long Record Of Service To Crippled By Venice Organization

The Shriners' Hospital for Crippled Children for many years has been aiding young victims of crippling due to accident, illness or birth defects. With similar objectives, the Venice Crippled Children's Organization has been making annual contributions to the hospital for the past 25 years, with the total now exceeding \$17,600.

The record of consistent support of the hospital has been matched by financial gifts to the poor foundation and by hundreds of instances of direct assistance to Venice families. The past quarter century has been one of accomplishment and unselfish service by the Venice organization.

From Donelson, Tenn., comes the following description of a typical modern American, as seen by Richard A. Ryan, a high school student: "An American is a fellow who sits on his haunches, an English cup while sitting on Danish furniture after coming home in a German car from an Italian movie... and writes his congressman with a Japanese ballpoint pen demanding that he do some thing about all the gold that's leaving the country."

School Honor Society Recognizes Achievement In Important Fields

A nationwide organization initiating members at local high schools this spring is unique in that it is designed to single out students who are outstanding from the combined standpoints of scholastic achievement, service, character and leadership.

Along with lists of honor students, the National Honor Society roster serves to spotlight the type of school attainment that largely goes unused but is the most meaningful. The membership is a high tribute that is recognized not only in the local community but anywhere in the nation.

QUALITY OF EDUCATION IMPORTANT TO ALL

Each of the five conferences on "Developing the Talents of Illinois Youth" held recently was attended by approximately 300 persons representing educational, professional fields, agriculture, business and civic organizations.

These conferences were called in cooperation with Superintendent of Public Instruction George T. Wilkins, in order that the results of a comprehensive study project in this field could be thoroughly explained. Illinois faces serious problems and similarly striking opportunities at the time of education.

At a time when a growing school enrollment poses serious problems of providing enough well-trained teachers, adequate classroom space and supporting services, we have become aware of a great educational need that goes far beyond mere quantity one that goes to the very heart of all education—quality.

The educational problems facing Illinois and our nation include the alarming loss of talent from early high school dropouts. This sets off a chain reaction which makes suitable employment opportunities in a technological world virtually non-existent.

FIRE INSURANCE

THE LAW AND YOU

The legal document which almost everyone has in his home or office but pays the least attention to is his fire insurance policy.

When and if fire occurs, this lack of knowledge of the terms of the policy can lead to serious consequences. At worst, there may be no recovery at all. At best, there may be a long and expensive lawsuit.

Most of the legal problems which arise, however, are avoided if you casually glance at your policy.

Actually, every person in the state has the same basic fire insurance policy with the same conditions because insurance companies are required by law to use a form of policy drawn up by the State Insurance Commissioner.

Limit Is Extent Of Interest

This insurance policy covers the "interest" of the insured in the property.

It is important that if you are a tenant in common, or a mortgagee, or a life tenant, or a contract purchaser or seller, you are covered not to the full value of the property but only to the value of your interest in the property, which may well be limited.

Other people besides yourself have an "interest" in the property, make sure before a disaster occurs that their names are on the policy or that an endorsement has been added to the policy.

Conditions Are Important

If you are unfortunate and suffer a loss, you must obey the conditions of the policy before the insurance company makes payment.

If these conditions are not complied with, the insurance company is not required to pay the amount to you.

The conditions are fairly simple requirements and are found in every insurance policy in the state. More lawsuits occur because people do not follow the conditions than for any other reason.

Notify Promptly

After a fire occurs, you must promptly notify your insurance company. When an insurance adjuster comes from your company, you must cooperate.

Gets Grant To Study For Teaching Handicapped

George T. Wilkins, state superintendent of public instruction, today announced that Miss Victoria Church, a January 1962 graduate of Granite City high school, will be awarded a scholarship to prepare for the teaching of handicapped children.

The 71st General Assembly authorized 250 annual scholarships for the study of special education. A candidate must be a graduate of an accredited high school during the present year and submit a formal application indicating she plans to teach handicapped children following graduation from one of its state universities, including Southern Illinois University.

Qualified applicants are entitled to instruction, matriculation, graduation, tuition and activity fees in the teacher education program.

One person spending one day in the area.

Baker, who has been with the state for 10 years, was introduced by Malcolm Thompson, program chairman. Thompson said the state is the speaker to locate major project works.

PUPIL NOT PERSUADED TO REMAIN IN SCHOOL

To the Editor:

Until a couple days ago my brother attended Granite City high school. He is only a C average student, but he has been in college after he finished school. Here it is about three months before he would have graduated, and his teacher kids him to quit for some little something that he and another boy were doing. (The other boy is still in school.)

My brother was told to come back with his parents. They might my father called and was informed that the school did not know what to do with a boy that didn't do just as he was told.

The next day my brother returned his books and told them he was quitting school. All they had to say was that was the best thing that he could do.

The principal and teachers get paid to teach the students and see that they graduate, but when a boy is told he ought to quit three months before he is to graduate, I don't think they are earning their money.

Everyone that knows my brother knows he is no angel, but he isn't any worse than any other seventeen-year-old boy.

It is hard to get a job and almost impossible to find one when you have a high school education. When you are within three months of getting a high school diploma, the faculty should help you and not tell you to quit. This is the best thing you can do for yourself.

121 To Graduate At Madison Junior HS; 88 At MHS

The 121 students of Madison Junior high's graduating class today bid farewell to their school tonight. Commencement exercises are scheduled to begin 8 p.m.

A color guard from Venice-Madison American Legion Post 307 will present the colors and retire them afterward and Kenneth Hinson of the post will present Legion awards to two outstanding students.

The Rev. K. W. McDaniel of the First Baptist church will offer the invocation and the benediction.

Participating in the ceremonies will be Principal Donald Purkay, Supt. Wensel L. Brown and school board President John Bellico.

The big day for the senior high school graduating class is tomorrow. Commencement exercises for the 88 graduating seniors will get under way at 8 p.m.

Dr. Cameron W. Meredith, head of St. Mary's education division, will address the Madison graduating class.

The Legion post again will supply the entertainment. The Engelbert Band, O.P.M., of St. Mary's Church, will offer the invocation and benediction.

There also will be band numbers and solos.

Taking part in the ceremonies with Supt. Brown and Bellico will be principal John L. Palcher.

The Madison school system graduated 77 eighth graders from Dunbar Junior High School Tuesday. The American Legion award winner was Ann Jenson, who received the postman from John W. Hampton of Henry Mitchell Post 799.

Kaskaskia River Project To Aid Quad-City Area

Development of the Kaskaskia river basin, less than an hour's drive from the Quad-Cities, will have a "tremendous impact" on this entire area, R. H. Baker, chief of the Design and Relocation section of the U.S. Corps of Engineers, St. Louis District, told the Granite City Rotary Club at its luncheon meeting Tuesday at the YMCA.

The basin, which embraces 4000 square miles, will include flood control reservoirs at Carlyle and Shelbyville, as well as levee protection for industry and commerce, cities, highways and farms.

Under consideration now in Congress, Baker said, also is canalization of the lower Kaskaskia river from Fayetteville to Chester, with a capacity of 20 million tons of barge traffic annually. This would increase the total investment from \$80 million, which already has been approved, to \$150 million.

The \$40 million Carlyle reservoir dam, begun in 1959, will be completed in 1965, Baker said. There will be a 26,000 acre pool with an average depth of 25 feet and a 35 mile shoreline. At Shelbyville, work will be finished in 1968, creating an 11,500 acre pool of water.

Collateral benefits of the Kaskaskia basin project include recreation. Scattered at suitable locations will be picnic areas, beaches, swimming, tent camping areas, cabins and lodges. There will be a bridge, a parking area, a landing strip for light aircraft and a 1000 foot walkway.

"It has been estimated," Baker said, "that by 1970 there will be offered for public rental by a real estate firm with which Lake Rose is an agent.

All rooms in the house were damaged with paint. A living room rug was smeared with paint and bamboo bathroom and closet curtains were burned. The house was vacant and being offered for sale by the real estate firm with which Lake Rose is an agent.

5 Local Area Youths Drafted Yesterday

Five Quad-City area youths, four of them volunteers, were drafted yesterday morning, reporting to the county selective service office in Edwardsville for induction. Ten other local youths reported for pre-induction physical examinations.

Those drafted were Aubrey Canterbury of Granite City, Cephus Nabors of Madison and Allen Murrell Hill and Fredreder Aaron, both of Venice, all volunteers; and William Irvin Gann of Granite City.

Next month's quotas for the area are 10 men to be drafted June 20 and four to report for pre-draft physicals on June 4.

Hearing Date Set

A June 7 hearing was set Monday by Police Magistrate Gasparovic for Joseph Kaych, 23, of 1028 Washington avenue, Madison, on charges of sodomy, assault and criminal trespass. He pleaded not guilty to the charges.

On charges of creating a disturbance, Kaych pleaded guilty and the magistrate ordered him held under \$10,000 bond.

The complaints were filed by Kathleen Joyly.

The boys, who were seated in the rear of the council room, were called forward and given a standing round of applause by the council members and about

Film On Holland Sunday At Word Of Life Church

"Holland Wonder," third in a series of documentary films by the T. L. Osborn Evangelistic Association, will be shown at the Word of Life Tabernacle, 2600 Missouri avenue, Sunday, May 27, at 7:45 p.m., Rev. Harry Chronister, pastor, has announced.

The feature-length sound and color production presents the Netherlands in a travelogue, including a number of the famous cities of that land. In and near the capital of Amsterdam, the camera captures a flourishing cheese market and dignified 300-year-old churches adjacent to 20th century architecture. Also shown are Marken, the city surrounded by the sea, and the Hague, with Queen Juliana at the opening of Parliament.

Scenes of the Osborn evangelistic campaign, which drew crowds of over 100,000 persons daily in Holland, also will be presented. The film will be presented by Rev. Claude Stover. Admission will be free.

County Public Aid Cost \$322,233 In March

A total of \$322,233 for aid to dependent children, the blind, disabled, general assistance and old age benefits was paid to Madison county residents during March, according to a report from the Illinois Public Aid Commission. The payments were made to 7828 persons.

\$1179 Low Bid For City Hall Step Replacement

Bids for replacement of the crumbling concrete steps at the Edison Avenue entrance to the city hall building were opened Monday night by Granite City council members and were referred to the city hall committee for recommendation.

Apparent low bidder was John Harrison of Tricon Construction Co., Harrison street, Granite City, with a figure of \$1179. Five other bids ranged from \$1345 to \$2073.

Purchase of a desk for the clerk of the city court's office was approved. The low bid in the amount of \$169 was submitted by Triangle Typewriter Co. The only other bid was \$174, submitted by Graham's Book Store.

Alderman Casmer Skubish, chairman of the City Hall committee, recommended the sale of a 60-inch exhaust fan to George Daves of a St. Louis electrical firm on a bid of \$30. Jiffy Car Wash had bid \$15 for the fan which had been located in the lobby skylight in the city hall building and has not been used for several years. It was removed when the city hall was re-roofed.

Mrs. Isabell Ramsey Succumbs At Age 86

Mrs. Isabell Ramsey, 86, died at 11:15 p.m. Monday at St. Elizabeth Hospital, where she had been a patient since suffering a fractured hip in a fall on March 30.

Mrs. Ramsey formerly made her home at 1920 Benton street. She was born in New York, and lived at Edwardsville before moving to Granite City in 1918.

Her husband, Rufus, preceded her in death in 1927.

Mrs. Ramsey was a member of St. Joseph's Catholic Church. Survivors include a son, Rufus J. Ramsey, and a daughter, Mrs. Ony (Ernestine) Pascha, both of Granite City; another daughter, Sister Deloris Marie, O.S.U., of Dallas, Texas; nine grandchildren and four great-grandchildren.

Funeral rites were conducted this morning at St. Joseph's Church, with interment in Calvary Cemetery, St. Louis.

An obituary notice appears elsewhere in this issue.

Part Of Latin Ensemble Drive

Program For Coolidge Benefit Band Concert

The program was announced today for Coolidge junior high school's benefit band concert to be held at 8 p.m. Thursday, May 31, in the Granite City high school memorial gymnasium.

Eight selections are to be presented by the 130-student Coolidge concert band and the school's Latin American rhythm ensemble. It was learned from Robert D. Todoroff, director, who will conduct the concert.

Tickets for the concert are being sold by the Coolidge band students as part of a fund drive to aid the ensemble's proposed tour of Mexico this summer at the invitation of the Mexican government.

A \$6000 budget has been set up for the trip, and the drive has passed the halfway mark. However, ample tickets remain available for the concert.

The program will consist of "Soleggiato" by C. P. E. Bach; the overture, "Eroica," based on

themes from Beethoven's Third Symphony; "Mill Mountain" by Rameau and Bush; "March of the Slayers," a march paraphrase by Polkman; McRae's "El Dorado"; "Habanera" by Werck; "Swing Bolero" by Yoder; and a Dixieland style march by Starrett.

36 To Join GCHS Honor Society In Ceremony Tonight

Character, leadership, service and scholarship will be recognized at Granite City high school tonight as the National Honor Society conducts its semi-annual initiation.

The ceremony is planned for 8 o'clock in the school auditorium, with Supt. Harold M. Kaiser delivering the principal talk and Principal Lawrence C. McCauley introducing the 36 new members and presenting their membership cards.

The initiation will be conducted by students already in the society, and the presiding officer will be Richard Kereh, NHS student president. The public will be welcomed, with special emphasis on the students' parents and friends and on former members of the school's NHS chapter.

Music and a reading by students also will be part of tonight's program.

Those newly selected for membership are as follows: Graduating seniors — Myrna Bischoff, Brenda Causey, Kay Evangelou, Dolores Fisher, Beverly Jackson, Jean Luchning, Janet Murphy and Patricia Santagato.

Low seniors — Sondra Johnson, Lois Medlin, Tom Mitchell and Char Lee Parmley.

Top juniors — James Robert Bowers, Pamela Brudley, Robert Butler, Donna Cox, Charlotte Crippen, Leslie Karen Danner, George Evangelou, William Frey, Sheryl Glazik, Richard Hahn, Linda Henley, Betty Jones, William Kaseberg, Linda McColligan, Lann McDaniels, Larry Noblin, Kathleen Oros, Dennis Petroff, Donna Shands, John Spudis, Larry Tolbert, David Toth, Thomas Vasileff and Michael Voorhees.

Ecumenical Experiment In Church Bible School

Rev. Eugene Prybylski this week announced that vacation Bible school will be held in the Sacred Heart Polish National Catholic Church parish hall, 930 Reynolds street, Madison, from June 18 to 22 at 9 a.m. to noon. An experiment in ecumenical fellowship will be tried, with a caravan of children and parents visiting five local Protestant churches: Niedringhaus Methodist, First Presbyterian, First Assembly of God, St. John United Church of Christ and Concordia Lutheran Church.

Each pastor will explain in a short talk the doctrine of the respective church and the symbolism of the house of worship.

The Volkswagen is the one in black.

These cars look alike to a Volkswagen mechanic. They have the same engine, the same transmission, and the same chassis.

But the one on the bottom got mixed up with an Italian who thought the Volkswagen would make a sexy little runabout Ghia of Turin.

The car's the VW Karmann Ghia. Its special body takes so much hand work that Volkswagen's forced it out to one of Europe's greatest custom coach works, Karmann of Osnabrück. Every seam is welded, ground down, filed and

sanded by hand. It's been mistaken for everything from a Ferrari to a Lancia. Yet VW parts are all you need. You get the VW's legendary mileage, VW's air-cooled engine. And the famous Volkswagen traction in snow and sand.

Along with a gas-guzzler or two. A defroster for the back window. Acoustical soundproofing. Adjustable bucket seats.

The price is quite a coup for a coupe like this. Hardtop, \$1888 delivered. Convertible, \$2593 delivered. Hardly an arm and a leg.

Chest X-Ray Program Continues Here Friday

Free chest x-rays will continue in the Quad-City area Friday when the Madison County Tuberculosis Association mobile x-ray unit visits Bellemore Village shopping center from noon to 4 p.m. and from 5:30 to 9 p.m.

On Saturday the unit will be at the Venice city hall from 9 a.m. to noon and at Bellemore Village shopping center again from 2 to 5 p.m.

On Saturday, June 2, the unit will be in Madison at the Dairy Master, 516 Madison avenue, Madison, from 9:30 a.m. to 1 p.m. and from 2 p.m. to 6 p.m.

The following week, Saturday, June 5, the unit will visit the city hall in Granite City from 9 a.m. to noon and from 1 to 5 p.m.

Last Thursday the unit made its first stop in the Quad-Cities and 125 chest x-rays were taken at the Ira King store on Weaver street in Madison.

Trial Date Set

Trial was set for Saturday for Wesley Eugene Hargrove, 31, of 2717 Idaho avenue. He was arrested May 19 for assault, peace disturbance and profanity. He already has been fined \$5 on each of the latter charges.

Trial date was set by Police Judge Gasparovic when Hargrove pleaded not guilty to the assault charge.

Mitchell Kiwanis Club Hears Talk On Tourism

Alvin N. Koeh of the state board of economic development was the speaker Monday at the regular meeting of the Mitchell Kiwanis club. He spoke on tourism in the state and pointed out many places of interest that are being ignored.

He is promoting a state plan to make Illinois known as a vacation state.

Twelve members attended the meeting, and there was an other guest, Louis Boulton.

The club decided to send an interclub delegation to the Glen Carbon club tonight.

Summer Art Workshop In East St. Louis

An art education laboratory summer workshop course will be offered at East St. Louis this summer as a project of the University of Illinois' division of university extension in cooperation with the art department.

The class will meet in the art room of Clark Junior high school, 3310 State street, beginning at 9 a.m. June 25, and will meet each day over a two-week period. The course fee is \$25 and two undergraduate semester hours will be earned for successful completion. An additional charge will be made for supplies and materials used by students.

The course is designed to fit the needs of the classroom teacher who is responsible for an arts and crafts program. Additional information can be obtained from Fred W. Steuermann, U. of I. field representative, Room 212 of the Goldman building, East St. Louis.

\$7500 Engineering Fees To Prepare Sewer Repair Plans

A \$7500 engineering charge for preparing plans for the replacement of broken and sewer lines in the Namokki area was the largest item on the \$21,311 two-week bill approved Monday night by Granite City council members.

The payment was to City Engineer David J. Johnston for the specifications for replacement of sewer lines in Belleme, Village along St. Clair avenue in Pleasant Acres subdivision. The \$7500 represents 5% of a partial estimate of \$150,000.

Another major item was \$3802 for maintenance parts and fuel for city equipment; and \$2219 was paid to Reliance Insurance Co. as premium for the tax collector's bond.

\$593 For Weed Cutting
Weed cutting officially was launched this month with payment of \$593 for the work.

Tax Anticipation Warrant Of \$5000 For GC Town Fund
The first tax anticipation warrant for Granite City township was authorized Monday night by Granite City council members in their capacity as the town board of auditors. The council also approved township bills totaling \$7859, including \$1302 for town purposes, and \$6491 for relief.

The township is to borrow \$5000 for town purposes, running short of funds since the fiscal year ended Feb. 28, and the new tax fund will not be available until late June or early July.

Town fund disbursements of \$1308, included \$682 total half-month salaries for the supervisor, assessor and chief deputy assessor; \$100 monthly salary for the town attorney; \$20 per diem for the town clerk; \$50 monthly travel allowance; and \$100 convention expense for Supervisor Nelson Hagnauer, who is attending the County and Township Officials convention; and \$50 travel allowance for Assessor Von Deussen.

Other town fund disbursements were \$288 total pay for three deputy assessors; \$59 telephone service and \$16 for janitor service for the assessor's office; and \$2 for wood for a sign.

Relief expenditures were \$3442 for medical care and hospitalization, \$2169 for food, \$374 for rent, \$112 for gas and electricity, \$24 for water; and the following administrative costs: \$325 total half-month salaries for two city workers; \$25 travel for township caseworker; \$45 for janitor service; \$31 for telephone service; \$24 for office supplies.

Zone Change Request For Store Building

A request for a C-1 commercial zoning classification for a 50x135-foot lot on the northeast corner of Pontoon Road and Franklin avenue for an existing retail store building that had been classed as non-conforming in the R-1 residential area, set forth in the original zoning ordinance was referred to the City Planning Commission by council members Monday night.

The request was submitted by Frank and Helen Champion, who plan to expand the facilities, it was learned.

The store building was in existence when the zoning code was adopted by the city several years ago and reclassification is needed before improvements can be carried out.

New Records Expected

Prep Track Season Closes Tomorrow With Southwestern Conference Meet

At least four records will be in jeopardy tomorrow when the current track and field season for high school athletes is brought to a close with the staging of the Southwestern conference meet at Parsons field in East St. Louis.

Alton, which tied for fourth place in the state meet last week, is expected to lead the assault on existing marks, with East St. Louis close behind.

Other school entered are Granite City, Edwardsville, Wood River, Belleville and Collinsville.

Relay Records?

Most likely to topple are the half-mile and mile relay records. Both Alton and East St. Louis quartets have consistently run the events in better times than the past month.

Alton's George Hunt is given a chance to set a new 880-yard run record, having run the half-mile some two seconds faster several times this spring.

And Alton's Andy Johnson and Al Randolph of East St. Louis could shave fractions of a second off records for the 180 low hurdles and 100 high hurdles, their respective specialties.

Both have better times this year than the existing records. Tom Schwartztrauber, Belleville's top dash man, has matched the conference record in the 100, and if he can do it again tomorrow will share the 100 clocking with four other athletes of years past.

Eight Get Tennis Letters At GCHS After 11-4 Season

Eight Granite City high school athletes have been awarded varsity letters in tennis, Coach Dick Harmon said today.

They include Bill Logan and Mike Barnes, singles players most of the season who teamed up to win the district doubles championship and last week scored one point in the state final; and Tom Moore, John O'Dell, Bob Buente, Bill Kaseberg, Wayne Hancock and Bob Bischoff.

The tennis Warriors compiled an 11-4 season record under Coach Harmon, shared the Southwestern conference title with Belleville and Edwardsville, and were district team champions.

2 Local Bowlers Shoot Saturday On 1st TV Series

Jo Ann Ratliff and Jim Crnkovich are the first two bowlers to qualify at Bowland lanes for a series of 26 weekly televised "Strike It Lucky" bowling shows being taped by KPLR-TV, channel 11.

They will compete for prizes Saturday at 10 p.m. in the first hour-long show of the series. Opponents will come from seven other bowling houses in the St. Louis area, and all contestants will shoot at different paces in hopes of qualifying for a try at a \$6000 merchandise jackpot, which includes an automobile, mink coat, trip to Las Vegas, boat, color TV and diamond ring.

Church Bowling Group To Hear Pro Grinner

Ken Panfil, a St. Louis pro football Cardinal, will be guest speaker at the Tri-City Church Bowling League's annual banquet at 6:30 p.m. Friday at Niedringhaus Methodist Church.

A gathering of about 150 is expected, and Edward Lane, trophies will be awarded during the evening.

Charge Careless Driving

A minor traffic accident occurred Tuesday at Lincoln and Broome avenues, Earl E. Kirchner, 72, of 2322 East 24th street, was charged with careless driving. He posted \$11 cash bail until Saturday. His auto collided with one driven by Henry Hellrich, 39, of 2437 Hodges avenue, police said.

Mercer Hopes To Maintain 1st Place Tie In Blue Loop Sunday; Hearts At Home

Mercer Funeral Home will attempt to maintain at least a first-place tie in the Blue Division of the Southwestern Illinois Inter-City Baseball league Sunday when it plays fourth-place Carpenter.

Jack Buente is scheduled to be the starting pitcher for Mercer. The game will be played at Carpenter.

The team is tied with McAteer Glass and Pochontas in the best race this early in the season for several years. All have 3-1 records.

McAteer plays Roxana Sunday in what it hopes will be an easy victory, since Roxana has thus far failed to qualify at five straight losses and no wins.

Pochontas will play at home against Maryville. The visitors have won only one of their four games this season and are second lowest in the Red Division.

Entertainment
Sacred Heart plays a home game at Wilson Park against Troy. The Hearts are second high in the Red Division with a 3-1 record. Manager Paul Schiller plans to pitch Dave Steplits.

16 Track Letters Awarded At Coolidge

Sixteen members of Coolidge Junior high school's ninth grade track and field squad have been awarded letters for participation in the sport this spring. Coach Frank Kraus has announced.

They are Mike Mounce, Ray Snelson, Mike Reed, Keith Garner, John VanDeusen, John Hooper, Nick Jaklich, Jerry Lane, Larry Curry, Tim Olson, Tom Craycraft, David Grindstaff, Jerry Lybarger, Virgil Kambhar, Kelly Hogan and John Bull. Warren Jones was team manager.

Minor Accident

Mrs. Anna M. Gross, 23, of Ft. Ord, Calif., was involved in a minor accident Tuesday. While driving on Madison avenue near 21st street, her right front fender struck the left side of an auto driven by William Parks, 48, of 1629 Ferguson avenue, according to police.

950 Take Part In Elementary School 'Sports Day' Activities At Frohardt

Seven track and field events for youngsters in the fifth and sixth grades of Granite City elementary schools were staged on the playgrounds at Frohardt school Monday and Tuesday afternoons, as the school district held its annual "Sports Day" physical fitness competition.

Grade school physical education instructors supervised the competition, with events for girls held on Monday and boys' events on Tuesday.

City Seeks Bids For Replacement Of Broken Sewers

Authorization for the city controller to seek bids for replacement of 236 feet of 15-inch sanitary sewer trunk line along Aubrey and St. Clair avenues was given Monday night by Granite City council members following a report by Alderman E. J. Van Schmittou.

Five members of the city council met last Thursday night with the levee board to discuss the sewer breaks and present plans for construction of new replacement sewers, prepared by City Engineer David J. Johnston at a cost of \$7500.

Johnston's plans call for a construction project of under \$100,000, including two additional lift stations, to replace a broken section of the sewer at the rear of homes along the east side Aubrey avenue and under the street along St. Clair avenue. The lift stations would be located at Jill avenue and on St. Clair avenue.

Schmittou explained the levee board is studying the legal aspects of giving financial aid to the city for replacement of the sewer lines, which were installed under levee district supervision as a part of the National Military Reserve system about seven years ago.

The Aubrey avenue sewer, which is 17 to 20 feet deep and off the easement, is to be replaced with a new line five to eight feet deep on the easement. The St. Clair avenue sewer, also about 17 feet deep, is to be replaced at a higher level with the two new trunk lines requiring the additional lift stations.

\$100,000 Assistance

During last week's meeting with the levee district, the city men were told by Levee Board President Lawrence Tolar the district could offer \$100,000 toward the project with the city handling the contracts and the engineering costs.

However, with protests by Levee Trustee Thomas Hennessey, the motion held up the agreement for the legal study and the amount was not included. Hennessey reminded Trustee Tolar that John Molla that the city of Granite City had been told the district would give no further financial assistance at the time the district agreed to pay for the replacement of the Terrace Lane sanitary trunk sewer, which also had been installed by the levee district.

Schmittou said Monday night the city could proceed with the bid call while waiting for a reply from the levee district. "It will take several weeks to get the bids," he said.

No mention was made of the city's portion of the cost, which would amount to another \$100,000 or more. The city is in the process of issuing its first tax anticipation warrant in the amount of \$100,000 for general operating expenses. Its sales tax and working cash fund reserves were wiped out by repairs to the street sewers.

Amvet Commander Urges More CD Participation

In a meeting at the Madison Recreation Center Monday night, the head of a national veterans' organization called on Quad-Cities veterans to "stand up and be counted" in matters of Civil Defense.

Presently on a tour of the continental U. S. and Hawaii, E. P. Pifelski, national commander of the Amvets, addressed an audience composed primarily of local Amvets and Civil Defense workers.

He urged the veterans to participate in local CD and other safety activities. Veterans should lead the nation in such matters, he said, as set forth in resolutions passed at the last national Amvet convention.

Commander and Mrs. Pifelski are making their national tour to encourage uniform legislation on traffic safety, stricter drivers' license requirements and the use of safety belts, in addition to their major purpose—urging greater CD participation.

"They now have traveled 22,000 miles on a trip which will carry them 60,000 miles, and have visited 19 states. They plan to visit every state except Alaska."

Pifelski was introduced by Edward Uherick, Fifth District Amvet commander. An estimated 40 persons from area Amvet posts and the Granite City and Madison Civil Defense organizations attended the meeting.

**Mrs. Jarrett Leases
West Side Tavern**

A \$2000 liquor bond for a new operator of the West Side Tavern, 1034 West 20th street, was approved Monday night by Granite City council members on the recommendation of Alderman Frank Vesce, deputy liquor commissioner for the city.

The new licensee is Mrs. Barbara Jarrett, 2125 Nevada avenue, who is leasing the building from Vance Resnick, former operator.

Twilight Optimists Hold Business Meeting On Bus

The Granite City Twilight Optimist club met at the Den, 24th and State streets, Monday night and boarded a bus for St. Louis. A business meeting on expenditures was held enroute.

Twenty-five members and guests then attended the baseball game between the Cardinals and Philadelphia. The Cardinals won 4-1.

The next meeting will be held at 6:30 p.m. at the Den. Officers will be elected for the year that night.

Front Instead Of Back

Richard Weiss, 2824 Edgewood drive, informed the Press-Record the hit-run motorist who damaged a bicycle in his yard last Saturday morning, drove into the front yard and not the rear yard as had been reported.

1956, first month in which the half-cent-dollar tax was in effect here.

The state deducts 4% for collection and administration costs; net receipts of the city treasurers are listed.

New \$30,000 Store On Madison Ave. Ups Permit Total

Permits for a number of general home improvement projects at 3030 Madison avenue by the Morris Lumber Co. in addition to a lumber yard on Madison avenue boosted the Granite City building permit total for May to \$87,698.

Earl Bloomquist, city building inspector, said the new commercial structure is being built at 3030 Madison avenue by the Morris Lumber Co. in addition to a lumber yard on Madison avenue. A wood and masonry hardware store, a 2x140 foot lumber storage shed is planned.

One other commercial permit was issued, that for alterations and general repairs at Lester Jones Studio, 1924 Edison avenue. Estimated cost of that project, \$1000.

One new home permit was issued. To be erected at 1813 Madison avenue by Case, Fox & Co., Inc., the \$12,300 dwelling is to be of aluminum siding exterior and garage and carport permits totaled \$8280. Bloomquist reported a permit was issued Herbert Thomas.

who this week predicted over 12,000 would be bought by auto owners.

The sale of the \$3 windshield stickers hit 6400 this week, and as yet the police department has not announced the start of its annual drive on delinquent auto owners.

Last year, 11,559 stickers were sold, compared to 11,505 during the 1960-61 fiscal year. The city license became due May 1.

Mid-August Completion Set For Venice Plant

Completion of the new \$140,000 warehouse addition at the Johns-Manville Products Corp. plant in Venice is scheduled for mid-August, a plant spokesman said this week, with work currently underway.

In addition to storage space, the 170x232-foot structure will contain two new offices with space for six employees now housed in the old plant facilities. The unit will be used exclusively for storage and shipping area, the spokesman said, and will not change the operation of the plant. The firm hires about 80 workers on a single shift and 110 when operating a double shift.

The new building is being erected at the west end of the present warehouse, extending along Bissell street. In addition to products of the Venice plant, the warehouse space is used for storage of other Johns-Manville products.

One building has been demolished to make way for the new structure and underground storage tanks have been filled. Excavations for footings are underway.

HELP TEENAGERS BECOME MORE GROWN-UP

A phone "for their very own," in their room, gives them a sense of privacy and responsibility. Allows more freedom to express themselves and their ideas. Helps them with school, church and club activities. But mostly, it gives them the fun of talking with their special friends. Costs so little most youngsters could pay for it with their own money!

Who needs extension phone service most?

Families that make or receive five or more calls a day.
Families with one or more members active in school, church, civic or club work.
Families with active, popular teenagers or young adults.

If any of these conditions fit your family, the chances are you need extension phone service.

To order your personal extension phones—call collect or write to the nearest range of colors—call the telephone business office, or ask any telephone service man.

CUTTING FOOD BILLS is the topic by Miss Geraldine Acker (right), nutrition specialist for the University of Illinois, who is conducting a series of four classes which started Monday afternoon at Kirkpatrick Homes recreation hall. Here she is demonstrating to a group of students (left to right) — Janet Ritchie, June Muskonis, Shirley Schmidt, Louise Aicheley and Mary Cole, who were among the 14 in the class. The next class is set for Tuesday, May 29, to be followed by others on June 4 and 11.

VFW Post 1300 To Celebrate 30th Anniversary Saturday

The 30th anniversary of the organization of Veterans of Foreign Wars, Post 1300, will be celebrated Saturday evening at the hall on Washington avenue.

A ceremony honoring the 30-year members through whose efforts the organization was formed will begin at 8 o'clock followed by a dance featuring the Variety Four at 9 o'clock.

The organization, which now has a membership of 500, was formed at Tom O'Gwin's Barber shop early in 1932 and later that year a charter was issued.

From there the Post met at the Odd Fellows hall until 1945 when with the help of its Auxiliary, the present building, which formerly housed the Wendell Bakery, was purchased. In 1948 the Post celebrated the burning of the mortgage. Since then remodeling programs

GC Kiwanis Club Hears Talk By Social Worker

Mrs. Jo Crouch, psychiatric social worker with the Madison County Mental Health Society, was the guest speaker at the weekly meeting of the Granite City Kiwanis club Monday night.

Twenty members attended the meeting at the Elks club.

The two and one-half-year-old Mental Health Society is located at 1243a Niedringhaus. It employs the services of psychiatrists, clinical psychologists, psychiatric social workers and lay analysts. It is supported by non-tax money of the state Department of Social Welfare, the Tri-Cities Area United Fund and fees, the speaker explained.

Play therapy with children, individual psychotherapy, group therapy, drug therapy and diagnostic services are provided through the society, omitting identifications.

Mrs. Crouch, who holds a master's degree from the University of Missouri, outlined several examples of case histories typical of the cases that are treated by the society, omitting identifications.

She was presented a speaker's certificate by the club.

Traffic Charge Filed

Ethel R. Thomas, 50, of 2625 Hodges avenue, was given an arrest ticket Tuesday for failure to yield right-of-way. Her auto was in a collision with another driven by Glendon M. Abernathy, 36, of 2601 East 24th street. The accident happened at Hodges avenue and Henry.

Minor Collision

A minor traffic accident occurred Monday at 23rd street and Lee avenue. Drivers of the cars were V. R. Phillips Jr., 31, of 2908 Marshall avenue, and Sherrie Beck, 20, of 2905 Madison avenue, police reported.

Venice High School Graduation Tonight

Music by the school band and chorus and an address by Thomas W. Butler, general manager of the Alton District Manufacturers' Association, will highlight commencement exercises tonight for 16 students at Venice high school.

The band will provide music for the procession, after which the invocation will be given by the Rev. J. D. Dillman, pastor of the Venice Methodist Church. The program will begin at 8 p.m. in the school gymnasium.

Three selections will be presented by the school chorus, beginning with "June is Bustin' Out All Over" by Rodgers. Other songs will be "America, My Own," and "Halls of Ivy."

Butler's address will follow greetings by Supt. John O. Pier.

Scholarship Awards

Preceding the awarding of diplomas, the VHS band will play the theme from "Exodus," and Venice Women's Club representatives, Mrs. Max Eberhardt and Mrs. Nadine Meehan will present scholarship awards to two of the graduates.

Recipients of the scholarships will be kept secret until the presentations.

Diplomas will be presented by Lester Salem, president of the school board.

Commencement exercises were held Tuesday night for the 23 graduates of Venice grade school, American Legion awards presented by Michael Leatherman Jr. on behalf of Venice-Madison Post 307, went to Judith Reidelberger, Sammy Becerra and Terry Cooper.

Major Collision

A major traffic accident occurred Monday at 23rd street and Lee avenue. Drivers of the cars were V. R. Phillips Jr., 31, of 2908 Marshall avenue, and Sherrie Beck, 20, of 2905 Madison avenue, police reported.

THE MAN OF THE WEEK

"I have money for everyone!" —says friendly manager **ANDY IMPASTATO**

"I like people and want all the folks here and in nearby towns to come in and get acquainted. You'll like me — and I've got plenty of cash for you, any amount from \$10.00 to \$800.00 with payments to suit your income."

"If you wish, try a 'Get-Acquainted Loan of \$100.00'. Walk out with the cash in your pockets in 10 minutes. If your car payments or other payments are too high, I'll try to cut them in half and advance you additional money besides, or pay up your bills, make your payments smaller—have only one place to pay. Phone first, if you wish. Easy as A-B-C. Just call up, tell me the amount you need, then stop by for the money. Ask for me — Andy Impastato. Gas Service To Be Installed In North Granite

Gas service is to be made available to about 165 families in the North Granite area with the installation of two-inch lines off a main feeder line which serves the A. O. Smith Corp. plant.

Requests for excavation permits for North Granite and also the 2800 block of Victory drive were submitted to the city council Monday night by Illinois Power Co. and were referred for immediate study to the aldermen of the wards involved and the Street & Alley committee, with authorization for the company to proceed upon approval by the aldermen involved.

The city several weeks ago annexed an "island" section of North Granite which was in Nacmole township, and the entire area now is in the city limits.

Illinois Power plans to excavate for installation of 10,500 feet in that area; and the excavation in the 2800 block of Victory drive will be 135 feet to provide service to two families off an existing four-inch gas line.

Eggs Splatter Auto

Edmund Bartoski, of 2326 Edison avenue, reported to police his car was splattered with eggs Monday while parked at the Belleme Village shopping center.

Additional Teacher Scholarship Awards

George T. Wilkins, Illinois superintendent of public instruction, this week announced that three graduates of high schools in Madison county have been awarded teacher education scholarships. They include Gene Potter, a graduate of Granite City high school.

The scholarships entitle candidates to enter teacher training at five state universities — Illinois State Normal University, Northern Illinois University, Southern Illinois University, Eastern Illinois University and Western Illinois University. They supplement the initial list for this county.

A candidate must have graduated in the upper half of his class, and is entitled to instruction, matriculation, graduation, tuition and activity fees in the teacher education program.

Sesquicentennial Plans Include Week Of Events

Plans are progressing for the Madison County Sesquicentennial celebration, which will be held Sept. 9-15. Activities are planned for all areas of the county.

In addition to parades in the larger communities, a pageant depicting the history of Madison County from the beginning will be presented during the week. Performances are scheduled each evening in an outside theatre.

The 150th birthday celebration will open with a religious historical program on Sunday, Sept. 9, and special days during the week will be set aside for political activities.

Participants will be invited to oralators.

A highlight of the week's pageant will be selection of a Sesquicentennial Queen. Madison county girls 17 to 30 years of

age, married or unmarried, may contend for the crown.

Music will also play a special part in the week-long affair, under the direction of Franklin C. Kreider, Collinsville band leader. Choral group singing will be under the direction of Miss Mildred Smith, director of choral music at the Wood River high school.

The sesquicentennial pageant, a reminiscence of the early 1800's to the present day, will be directed by Miss Dorothy Holman, Alton. Leslie M. Marler of Edwardsville is general chairman.

Any profits which may be derived from the week's observance will go toward the erection of a museum for Madison county historical items. At present the museum is in the county courthouse.

Management Program Wins National Award

A national program, sponsored locally by the Granite City Steel Management Club, has received a top national award from the Chamber of Commerce of the United States. The program, "Selling America," an economic education program, received the Chamber's national recognition award.

The award went to the National Management Association, of which the local Management Club is a part, for "outstanding achievement in promoting economic understanding during 1961."

The "Selling America" program, introduced in 1960, has been seen by hundreds of residents of the Quad-Cities area. It is a series of three lectures, based on fundamental principles of economics and illustrated with color slides. Members of the Granite City Steel Management Club serve as volunteer speakers in presenting the program to civic, educational and

Downtown Street Sweeping Rescheduled For Thursdays

Street sweeping in the downtown business district is being changed to Thursday nights instead of Sunday nights in order that the streets will be clean for the weekend. It was announced yesterday by Granite City Supt. of Streets William Warfield.

The city's street sweeping will be in operation starting at midnight tonight, and Warfield asked local business people to cooperate in keeping the district clean for the weekend. The Thursday sweeping will be carried out on a regular schedule, he said.

Businessmen Seek Lower Median On Nameoki Rd. Job

Street, sewer and drainage problems were among topics discussed Monday night by Granite City council members, who accepted a petition from business men in the 3800 block of Nameoki road requesting the nine-inch unmountable median strip planned in the improvement project be lowered.

The petition was presented by Alderman Ford Johnson, who said the businesses along the roadway from Johnson road north to Clark avenue could suffer as much as 50% loss because of the median strip preventing turns into driveways. "Development of vacant property along Nameoki road also might be hampered," he said, adding, "I'm sure they could get by with a four-inch mountable median, especially since we have a 30 mile an hour speed limit there and the possibility of a high-speed head-on crash is remote."

The petition was presented as the final plans for the widening and resurfacing of Nameoki road from Madison avenue to the north city limits were submitted by City Engineer David Johnston and approved by the council.

However, the city plans to inform the state highway department of the petition and its request, since construction is not expected to start for several months because of needed right-of-way at the Madison avenue, Johnson road and Pontoon road intersections.

"This request is for the median to be lowered for a distance of only one block," Alderman Johnson stressed. However, he was told by Alderman Estill Von Schmitt that the East 20th street widening project nearby was lost to the city because of demands, which proved to be futile, for elimination of the median strip.

Lack Of Sewers

Alderman Donald Partney called attention to the lack of sanitary sewers at homes as well as drainage facilities along Mercer avenue north of Johnson road, and a motion was approved to require the developer to place money in escrow for installation of sewers to replace septic tanks before any additional construction permits are issued. An easement is needed.

City Atty. John Gitehoff was instructed to study legal aspects of a drainage problem at Smith and Wayne avenues where vacant property through which a swale drained Smith avenue to the drainage ditch is to be filled. Drainage onto Smith from Wayne would be blocked and result in as much as three feet of water in the street and into the houses, it was pointed out. The attorney is to take the matter up with the subdividers and authorities of Sacred Heart school annex, owner of the property.

Alderman Mrs. Gabrielle Betine reported she had received two additional complaints from homeowners in the 2800 block of Washington avenue that paint on their house had been discolored recently. The city is making contact with an engineering firm to determine the cost and scope of an air pollution study.

Referred to the Street and Alley committee was consideration of using a plastic material instead of paint for street marking. A salesman for a Chicago firm showed a 14-minute film, and Committee Chairman Estill Von Schmitt reported his group would study the city's costs and needs. He estimated at least 10,000 feet would be needed at 40 cents a foot with the firm making the installation. "We paint center stripes and crosswalks as many as two or three times a year," Schmitt said. "So this might represent a savings. We'll look into it and report back."

County Seeks Bids For 2 Police Pursuit Cars

Bids for two police pursuit cars for the sheriff's office with a 1961 model to be traded in are being sought by the Madison county board of supervisors. Specifications are given in a bid advertisement appearing in the classified section of today's issue.

Bids are restricted to auto dealers in Madison county and are to be opened at 10 a.m. June 5.

Open Street For Fire Trucks

Alderman Suggests Stop Sign Removal On 23rd St.

Additional traffic controls along 23rd street were proposed during Monday night's meeting of the Granite City Council and referred to the Street and Alley committee for subsequent action.

Alderman Donald Partney suggested the removal of all stop signs off 23rd street to open the street for emergency operation of the fire trucks upon leaving the main station at 23rd street and

Madison avenue. He suggested the stop signs at Grand avenue, State street, Benton street and Adams street be removed and placed on the north-south streets.

"We need to open 23rd street to the fire trucks and stop the other traffic," he explained in the committee to study the proposal.

Yield right-of-way signs on the street for emergency operation of the fire trucks upon leaving the main station at 23rd street and
